

## **Welcome to the City of Rockwall, Texas** ***“The New Horizon”***

On behalf of the residents of Rockwall, the Rockwall City Council and the City Staff, I welcome you to the web site of one of the most progressive cities in the Dallas Metroplex.

Rockwall was founded in 1854 and is the County Seat of Rockwall County. Rockwall is approximately 22 miles east of Dallas on Interstate 30 with a population of just over 32,000.

Rockwall residents have the distinct advantage of being near a major metropolitan city while residing in a city that has maintained its rural atmosphere.

Situated on the eastern shore of Lake Ray Hubbard, residents can enjoy exceptional fishing, boating and sailing, in addition to many neighborhood parks, two community pools, three golf courses and an award winning Parks and Recreation Program. There are four marinas, three public boat ramps and a yacht club famous for sailing regattas. Rockwall also offers several choices in cultural arts. Churches of various denominations, service clubs and charitable organizations are also an intricate part of the Rockwall community. Rockwall also offers a full plate of restaurants to tempt every palate and satisfy every pocketbook. The City of Rockwall caters to shoppers, offering a wide variety of merchandise along with friendly service and a wonderful small town ambiance making it easy to “Shop Rockwall” for all your needs.

Whether you’re seeking information on our community, city government or economic development opportunities, I hope you will find the site informative and beneficial to your needs. I appreciate your interest in the City of Rockwall and thank you for visiting our web site.

Respectfully,

David Sweet  
Mayor of Rockwall
