

**“The Rockwall Police Department Joins the National Crime Map
Citizens now have free access to official, timely crime data through
CrimeReports.com”**

Rockwall, Texas – Have you ever seen police activity in your neighborhood and wanted to know what was going on? Do you want to find out how safe your neighborhood really is? Now you can, through a new partnership between the Rockwall Police Department and CrimeReports, creators of the National Crime Map, at www.CrimeReports.com.

“Providing reliable, timely information to our citizens is one of our top priorities,” says Chief Mark Moeller of the Rockwall Police Department. “And partnering with CrimeReports gives us the ability to keep the public informed on a regular basis as to what is going on in the community.” He added that the map will be updated every 24 hours and that citizens can sign up for free crime email alerts. “Correct information is essential,” Chief Moeller added. “We hope that giving the community this information will help them become more aware of criminal activity in their neighborhoods.”

“The Rockwall Police Department is a leader in law enforcement innovation,” says Greg Whisenant, founder and CEO of CrimeReports. “They are demonstrating their commitment to the community, to proactive policing, and fiscal responsibility.”

The Rockwall Police Department is joining a list of nearly 600 other law enforcement agencies of all sizes across North America who are sharing their crime information with the public through the map, like Baltimore, Boston, San Jose, San Francisco, Portland, Washington D.C., Los Angeles County, and more.

You can access your local crime map and sign up for daily, weekly, or monthly email crime alerts at www.CrimeReports.com or at the Rockwall Police Department website at <http://www.rockwall.com>.
