Beyond The Horizon Distinguished Citizen Award

Background

The City of Rockwall has developed a program called the Beyond The Horizon Distinguished Citizen Award to recognize and award its citizens for extraordinary contributions to the community that go above and beyond all others.

Nominations

Nominations for this program may be made by anyone in the Rockwall community. Nomination forms are available online or at Rockwall City Hall. Award recipients will be chosen based on the information provided in the nomination form and based on the criteria described on the nomination form. Nominations will be forwarded to the Rockwall Subcommittee for Naming and Citizen Awards for review and consideration.

Award Selection

The City Council Subcommittee for Naming and Citizen Awards will consider all nominations and make a recommendation to the full Council for consideration. Once approved by the Council, the City will then notify the recipient that the individual or organization has been selected to be recognized by the City for their contribution to Rockwall.

The recipient(s) will be scheduled to attend the next possible Rockwall City Council meeting or other City venue to be officially recognized by the City.

The Beyond The Horizon Distinguished Citizen Award winner's picture and personal / professional profile will be submitted to the local newspapers and other media outlets for publication consideration and be placed in the Rockwall Newsletter. And, most importantly, they will own the pride of being publicly known as one of the City's most appreciated citizens.
