

SOLID WASTE DISPOSAL

Your garbage should be placed in plastic bags or your own garbage container; the garbage must be placed by the paved alley behind your house or at the curb in front of your house, if you do not have a paved alley.

Republic Waste provides an 18 gallon container for the collection of aluminum cans, bi-metals (steel, tin cans) glass, plastics and newspaper for curbside recycling. Curbside recycling will be collected one time per week.

Garbage must be out by **7:00 a.m.** on the day it is to be collected. Questions regarding your garbage collection service are to be directed to the Utility Billing Department at (972) 771-7736.

Republic Waste garbage Holidays are as follows; **Thanksgiving Day, Christmas Day and New Years Day**. If your garbage day falls on one of the above Holidays your garbage service will be moved one day. Thursdays will be picked up on Friday and Fridays will be picked up on Saturday.
