Sewer Base Rates	1"	\$21.78
Sewer Base Rates	1.5"	\$25.30
Sewer Base Rates	2"	\$31.96
Sewer Rate	Rate per Thousand Gallons	\$3.25

The winter sewer averaging will still be in effect. Your next year's sewer rate will be calculated using your water usage from the months of December, January and February. And will reflect on your March or April bill. If you are a new resident moving to the City of Rockwall your sewer rate for a 5/8" meter will be set at 5,350 gallons at a cost of \$36.04 per month.
