

## Residential Recycling Information:

The City of Rockwall encourages all residents to participate in the recycling program. Recycled items are picked up one time per week by Allied Waste on your scheduled day of either Monday, Tuesday, Thursday or Friday. Please place items out by 7:00 am.

- Allied Waste will provide each resident with an 18 gallon container for the collection. Residents can also rent a recycle poly cart for an additional \$3.50 per month. This is an optional program. **All recycling must be in the container provided by Allied Waste or a clear trash bag. Any other containers will not be picked up by Allied Waste.**
- You can recycle metal cans, aluminum cans, and glass (clear, green and brown). Mirrors, window glass, plate glass or light bulbs can not be recycled.
- Plastic bottles (#1, #2, #3, #4, #5 and #7 can be recycled). Examples of these items include milk jugs, plastic soft drink bottles, and detergent bottles. Please rinse and remove all lids.
- Newspaper, magazines, junk mail, envelopes, cereal boxes, cardboard, catalogs, slick and glossy inserts found in your newspaper are also recyclable items. Please put paper products in the bottom of your bin to prevent them from blowing away. Please do not put wet paper or paper contaminated with FOOD products in the bin.
