We have had two members resign as of the 3-14-2013 meeting. Members Sheri Zeneri and Cindy Kindred both have added work load at their respective jobs. The Rockwall CERT team wants to thank you two for your time, dedication and hard work for the Fire Fighters and Citizens of Rockwall. As most of you know our Animal Response Instructor was snowed in at a Canadian airport, so if you were on spring break you didn't miss an important training class. Termin will reschedule this class at a later date.

Our next meeting will be taught by Joe Delane. Joe Delane is the Rockwall County Emergency Coordinator, he will teach the FEMA 200 class, at our regular location and time. (6:30-9:30 at sta. #2). We added a new member, Dr. Michael Dunnigan, "Welcome Dr. Dunnigan". We were invited back to help at the Concerts on the Lake Series and all present agreed we would do it. We will meet with the RPD to coordinate response in case of emergencies. Termin will let you know time and place.

We agreed to purchase name tags for vests and ball caps as well as beacon lamps. Bert took everyone to the truck and we went over a few things operation and set-up wise. Termin will get the name tags ordered for our vests as well as the ball caps and beacons.
