He commented about how he read through the minutes from the April 7 council meeting, and he expressed concern about the April 21 council meeting minutes not being posted to the website yet. Given that voters are about to vote for those running for elective office, he believes it would be important to know how councilmembers voted regarding the trash contract. He seemed to express concerns about various aspects of the newly negotiated contract provisions related to the trash service, and he went on to share that the only way he knew it was even voted on was through "Nextdoor" (a social media app/site). He shared he would like the city to get the word out about what happened what changes were approved, as he believes 'we kind of got blindsided.'**

**Mayor Johannesen explained, as a matter of procedure and of law, the meeting minutes do not get executed and posted until the governing body approves them, so the April 21 meeting minutes will be approved this evening. He explained that the April 21 meeting was the fourth time the trash contract was discussed. The first one happened in October. The next one happened in December. The third discussion occurred around mid-March, and four weeks later – in April – it was discussed a fourth time. Also, the new contract (terms) will not go into effect until January, so the city will have plenty of time to get the word out to the public. Also, video recordings of all of those meetings have been posted and have been available online.**

Mrs. Wilke shared that she is the HOA president within her neighborhood, Stone Creek. She has been on the HOA board for twelve years now. She thanked Mayor Johannesen for all of his assistance over the years and for his service to the community.

Bob Wacker  
309 Featherstone

He pointed out all three of them live in the same neighborhood, and he looks forward to just being neighbors again instead of having confrontational moments. He offered each of them prayers and good wishes for the future.

There being no one else wishing to come forth and speak, Mayor Johannesen thanked the citizen for their comments, and he closed Open Forum. He next addressed the Appointment Item with the P&Z Chairman.

**XI. Public Hearing Items**

1. **Z2025-012** - Hold a public hearing to discuss and consider a request by David Gamez for the approval of an **ordinance** for a *Specific Use Permit (SUP)* for *Residential Infill in an Established Subdivision* on a 0.17-acre parcel of land identified as Lot 3, Block A, Gamez Addition, City of Rockwall, Rockwall County, Texas, zoned Single Family 7 (SF-7) District, situated within the Southside Residential Neighborhood Overlay (SRO) District, addressed as 614 E. Boydston Avenue, and take any action necessary **(1st Reading)**.

Planning Director Ryan Miller provided background information regarding this agenda item. The applicant would like to construct a one-story, 1,031 square foot, single-family home at this location. After providing a history of the zoning and prior platting of the property, Mr. Miller shared that Council is being asked to consider the size, location and architecture as compared to other, existing housing located nearby. In this instance, the home is comparable to other homes located within the Southside Residential Overlay District, and it conforms to all applicable zoning-related requirements associated with this district. The P&Z Commission did recommend approval of this item by a vote of 4 ayes with 1 being absent (Hustings) and 1 dissenting (Hagaman). In addition, 76 notices were mailed out to property owners and occupants located within 500' of the subject property. So far, staff has received one notice back in favor and two notices in opposition. One notice of opposition indicated that if a garage were incorporated into the proposal, they would be in favor of it. The applicant did change the plans in order to add and incorporate a garage, and it does meet the city's garage-related configuration requirements.

The applicant came forth and briefly addressed Council. Suzan Gamez, David Gamez' daughter, came forth to speak on his behalf. Ms. Gamez shared that this property falls into the Southside subdivision, and this replatting and SUP process has been brand new. She shared that the process has been ongoing for a while, with the process of first platting the property occurring in 2023 and subsequent work being

done to find and secure a floodplain engineer. She went on to share that her grandmother is about to be 90 years old, and she and her family, including her father and grandmother, would like to be able to break ground soon to start on construction to build the house.

Mayor Johannesen asked if anyone would like to come forth and speak at this time.

Corky Randolph  
621 E. Boydston  
Rockwall, TX

Mr. Randolph came forth and shared that he lives right across the street from this proposed home. Some of the newer houses are on the tax rolls for \$500-550k. He explained that the following has given he and his neighbors ‘pause:’ there are some housing along Boydston that used to be pretty tough to look at. Code Enforcement has done a really good job. Considering the shape that that applicant’s current home is in - he hopes that whatever is built in this location is quality. He urged Council to potentially review the Southside Overlay District. He shared that the P&Z Commission did its job and did what it legally needed to do.

There being no one else wishing to come forth and speak at this time. Mayor Johannesen closed the public hearing.

Mayor Pro Tem Jorif commented that the proposed home is comparable to other homes in the area, and it conforms to city requirements. Therefore, he moved to approve Z2025-012. Mayor Johannesen seconded the motion.

Councilmember McCallum asked for clarification regarding adjacent housing. It looks like everything since 2017, with the exception of one property, has all been brick, and the smallest one was 1,800 square feet. Also, all other homes have j-swing garages. He asked for and received from Mr. Miller, Planning Director, clarification related to the other (newer) nearby homes and their garages. McCallum again commented that the other homes that have more recently been built have all been made of brick. Mr. Miller shared that, based on House Bill 2439, the city cannot regulate building materials, neither directly nor indirectly.

Councilmember Campbell asked Building Official / Code Enforcement Director for clarification on the existing condition of the property. Mr. Widmer, Director of Neighborhood Improvement Services (Code Enforcement) commented that he has not looked at or evaluated the condition, but he will be happy to do so if Council so desires. Ms. Gamez shared that her dad enjoys doing recycling as a hobby as part of his retirement.

The mayor closed the public hearing, and – following brief comments – the ordinance was read as follows:

**CITY OF ROCKWALL  
ORDINANCE NO. 25-28  
SPECIFIC USE PERMIT NO. S-361**

**AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS,

### CITY OF ROCKWALL ORDINANCE NO. 25-XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, AMENDING PLANNED DEVELOPMENT DISTRICT 32 (PD-32) [*ORDINANCE NO. 17-22*] AND THE UNIFIED DEVELOPMENT CODE [*ORDINANCE NO. 20-02*] OF THE CITY OF ROCKWALL, AS HERETOFORE AMENDED, SO AS TO APPROVE A PD DEVELOPMENT PLAN FOR EIGHT (8) TOWNHOMES ON A 0.871-ACRE PARCEL OF LAND IDENTIFIED AS LOT 3, BLOCK A, HARBOR HILLS ADDITION, CITY OF ROCKWALL, ROCKWALL COUNTY, TEXAS AND MORE FULLY DESCRIBED AND DEPICTED HEREIN BY *EXHIBIT 'A'*; PROVIDING FOR SPECIAL CONDITIONS; PROVIDING FOR A PENALTY OF FINE NOT TO EXCEED THE SUM OF TWO THOUSAND DOLLARS (\$2,000.00) FOR EACH OFFENSE; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR A REPEALER CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

The motion to approve passed by a vote of 4 ayes with 3 nays (Jorif, Johannesen, and McCallum).

2. Hear year-end program presentation from members of the City's Youth Advisory Council (YAC).

City Secretary, Kristy Teague, provided brief, introductory comments, sharing that four students are graduating, so the will be filling at least four seats at the start of next school year. She thanked

Councilmember Campbell and Mayor Pro Tem Jorif for their service and leadership as liaisons to the YAC over the course of this past school year. The four graduating seniors of the city's YAC (Kaylen Pruitt, Contessa Barron, Evan Haack, and Keaton Steen) then came forth and briefed the Council on the various meetings and activities with which they were involved over the course of this past school year. Council took no action following the presentation.

3. **MIS2025-008** - Discuss and consider a request by Brian Cramer of CCD-Rockwall, LLC for the approval of a Miscellaneous Request for an *Alternative Tree Mitigation Settlement Agreement* for a residential subdivision on a 262.94-acre tract of land identified as Tracts 17-13, 17-14, 17-15, 17-16, & 40-8 of the W. W. Ford Survey, Abstract No. 80, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 99 (PD-99) for Single-Family 10 (SF-10) and limited General Retail (GR) District land uses, located on the east side of SH-205 [S. Goliad Street] south of the intersection of SH-205 and FM-549, and take any action necessary.

Planning Director, Ryan Miller provided background information regarding this agenda item. This item is related to the Southside Hills Subdivision. The subdivision will eventually consist of 384 residential lots. In addition, the development will consist of a minimum of 52.90-acres of open space that includes a 1.10-acre amenity site and a 11.60-acre public park. Currently, the subject property remains undeveloped, and the applicant has received approval for a Preliminary Plat and a Master Plat. The site is heavily wooded and primarily located within the hundred-year flood plain. In this case, the applicant has completed a preliminary tree survey that estimated 17,552.7 caliper inches would be removed with the development of the subject property. In addition, a 20.00% Tree Preservation Credit can be applied for the trees being preserved in the floodplain areas. This brings the total estimated mitigation balance down to 14,042.16 caliper inches. Included with the applicant's submittal is a landscape plan that delineates all of the proposed canopy tree plantings within the subdivision. This includes all of the landscape buffers, open space lots, the public park, and the lot trees (i.e. three (3) trees per lot). Based on the provided landscape plan, 438 canopy trees will be planted within the landscape buffers, 277 trees will be planted on the open space lots and the public park, and 1,152 canopy trees will be planted on the residential lots. This equates to a total of 1,867 canopy trees or 7,468 caliper inches. This brings the total mitigation balance of 14,042.16 caliper inches to 6,574.16 caliper inches (i.e.  $14,042.16 - 7,468 = 6,574.16$ ). In accordance with Tree Mitigation Requirements, the applicant would be permitted to purchase "...up to 20.00% of the total replacement inches," at \$100.00 per inch, and the remaining 80% must be planted on-site. In this case, the applicant would be required to plant 11,233.73 caliper inches or 2,809 trees and pay a fee of \$280,843.20 (i.e.  $[14,042.16 \text{ caliper inches} * 20\%] * \$100.00 = \$280,843.20$ ). In this case, the applicant's remaining mitigation balance is 6,574.16 caliper inches or \$657,416.00. This exceeds the 20.00% purchase limit described above. Given this, the applicant is requesting an Alternative Tree Mitigation Settlement Agreement in accordance with Section 05(G), Tree Mitigation Requirements, or Article 09, Tree Preservation, of the Unified Development Code (UDC). In lieu of paying the remaining balance, the applicant is requesting to install additional park improvements above and beyond what is required by the Planned Development District 99 (PD-99) Ordinance [Ordinance No. 22-51]. In addition to the required park improvements, the applicant is proposing to [1] increase the size of the hike and bike trail to eight (8) feet, [2] provide a lake overlook area, and [3] a rock skipping installation. The applicant has estimated the installation cost of the additional improvements as \$750,000.00. This would bring the total park

improvement costs to \$1,250,000.00. In addition, the applicant indicated that if the final installation cost is less than \$1,250,000.00 then the remaining balance will be paid to the City. Staff should note that the requested additional improvements are greater in value than the estimated remaining tree mitigation balance fee by \$92,584.00 (i.e. \$750,000.00 - \$657,416.00 = \$92,584.00). In addition, at the time Planned Development District 99 (PD-99) was approved (i.e. October 3, 2022), the minimum required trail size was six (6) feet; however, following this approval the required minimum trail size was increased to eight (8) feet with the approval of the updated Subdivision Ordinance [Ordinance No. 23-21]. Given that PD-99 was approved before this code change, they were vested under this requirement. As part of the applicant's Alternative Tree Mitigation Agreement request they are proposing to increase the trail size to eight (8) feet to meet the current code requirements.

Mr. Miller went on to explain that according to Subsection (G), Alternative Tree Mitigation Settlement Agreement, of Article 09, Tree Preservation, of the Unified Development Code (UDC), "(i)n certain cases, the City Council -- upon recommendation from the Planning and Zoning Commission -- may consider an Alternative Tree Mitigation Settlement Agreement where, due to hardship, the applicant is unable to meet the requirements of this Article or where it is determined that adherence to the tree mitigation requirements will create a hardship for an applicant. He also shared that this is a discretionary decision on the part of the City Council. The P&Z Commission did vote 5 to 0 to recommend approval of this request.

Councilmember McCallum sought and received brief clarification on some of the trees and tree-lined areas that he knows are of concern to some of the adjacent residents. Mayor Pro Tem Jorif moved to approve MIS2025-008. Councilmember Thomas seconded the motion, which passed by a vote of 7 ayes to 0 nays.

4. Discuss and consider a status update from the Rockwall Area Chamber of Commerce regarding Hotel Occupancy Tax ("HOT") funding received from the City and regarding programs offered through the Convention & Visitors Bureau on behalf of the City of Rockwall.

Jodi Willard, Director of Tourism with the Chamber of Commerce, came forth and briefed Council on various efforts related to tourism promotions that have transpired on behalf of the City of Rockwall. Council took no action following Ms. Willard's presentation.

5. Discuss and consider accepting Councilmember Anna Campbell's absence from upcoming City Council meetings in accordance with Section 3.05 of the City Charter, and take any action necessary.

Mayor Johannesen briefly mentioned a provision within the City Charter that deals with a councilmember missing three consecutive meetings if it is for reasons unacceptable to a majority of the remaining council members. He then moved to formally approve Councilmember Campbell's upcoming dates when she will miss three consecutive Council meetings (June 2, June 16 and July 7). Mayor Pro Tem Jorif seconded the motion. Following brief comments, the motion passed by a vote of 6 ayes with 1 abstention (Campbell).

Quail Run Road and Hays Road, and take any action necessary.

### PLAT INFORMATION

- ☑ Purpose. The applicant is requesting the approval of a Final Plat for a 42.742-acre parcel of land (i.e. Lot 20, Block G of Quail Hollow, Phase 1 Addition) for the purpose of establishing Phase 2 of the Quail Hollow Subdivision, which will consist of 111 single-family residential lots and eight (8) open space lots (i.e. Lot 30, Block A; Lot 1, Block L; Lot 6, Block E; Lot 15, Block F; Lot 24, Block D; Lot 20, Block G; Lot 15, Block C; Lot 8, Lot 29, Block G). Concurrently with this request, the applicant has submitted a PD Site Plan [Case No. SP2024-049] in accordance with the requirements of the Planned Development District Ordinance.
- ☑ Background. The subject property was annexed on March 16, 1998 by Ordinance No. 98-10 [Case No. A1998-001]. At the time of annexation, the subject property was zoned Agricultural (AG) District. On August 15, 2022, the City Council approved Ordinance No. 22-44 rezoning the subject property from an Agricultural (AG) District to Planned Development District 97 (PD-97). On September 19, 2022, the City Council approved a Preliminary Plat [Case No. P2022-037] and Master Plat [Case No. P2022-039] for the subject property. On November 7, 2022, the City Council approved a revised Master Plat [Case No. P2022-039], which changed the phasing lines established on the previous Master Plat. On February 28, 2023, the Planning and Zoning Commission approved a Site Plan [Case No. SP2023-001] for Phase 1 of the Quail Hollow Subdivision. On March 6, 2023, the City Council approved a Final Plat [Case No. P2023-002] for Phase 1 of the Quail Hollow Subdivision.

  - (1) The property owner shall pay *Cash-In-Lieu of Land Fees* of \$82,574.01 (i.e. \$743.91 x 111 lots = \$82,574.01), and
  - (2) The property owner shall pay *Pro-Rata Equipment* fees of \$70,563.81 (i.e. \$635.71 x 111 lots = \$70,563.81).
- ☑ Conformance to the Subdivision Ordinance. The surveyor has completed the majority of the technical revisions requested by staff, and this plat -- conforming to the requirements for plats as stipulated by the Subdivision Ordinance in the Municipal Code of Ordinances -- is recommended for conditional approval pending the completion of final technical modifications, submittal requirements, and conformance to the items listed in the Conditions of Approval section of this case memo.
- ☑ Conditions of Approval. Conditional approval of this Final Plat by the City Council shall constitute approval subject to the conditions stipulated in the Conditions of Approval section below.

## CONDITIONS OF APPROVAL

If City Council chooses to approve of a Final Plat for Phase 2 of the Quail Hollow Subdivision, staff would propose the following conditions of approval:

- (1) All technical comments from City Staff (*i.e. Engineering, Planning and Fire Department*) shall be addressed prior to release of the civil engineering plans; and,
- (2) The development shall adhere to the Parks and Recreation Department's recommendations as outlined above in this case memo; and,

TO: Mayor and City Council  
DATE: May 19, 2025  
APPLICANT: Meredith Joyce; Michael Joyce Properties  
CASE NUMBER: P2025-014; Final Plat for Phase 1 of the Peachtree Meadows Subdivision

---

### SUMMARY

Consider a request by Meredith Joyce of Michael Joyce Properties on behalf of John Vick of Qualico Development, Inc. for the approval of a Final Plat for the Peachtree Meadows Subdivision consisting of 147 single-family residential lots on a 45.95-acre tract of land identified as Tract 5 of the J. R. Johnson Survey, Abstract No. 128, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 101 (PD-101) [Ordinance No. 23-11] for Single-Family 10 (SF-10) District land uses, generally located on the southside of Mims Road west of the intersection of Mims Road and National Drive, and take any action necessary.

### PLAT INFORMATION

- ☑ Purpose. The applicant is requesting the approval of a Final Plat for a 45.95-acre tract of land (i.e. Tract 5 of the J. R. Johnson Survey, Abstract No. 128) for the purpose of establishing Phase 1 of the Peachtree Meadows Subdivision, which will consist of 147 single-family residential lots and six (6) open space lots (i.e. Lots 1-6, Block A; Lots 7 & 8, Block B; Lots 8-11, Block C; Lots 11-15, Block E; Lots 15-25, Block G; Lots 1-21, Block H; Lots 1-39, Block I; Lots 1-28, Block J; Lots 1-21; Block K; Lots 1-12, Block L; Lots 1-4, Block M, Peachtree Meadows Phase 1 Subdivision). Staff should note that a final plat for Phase 1 of the Peachtree Meadows Subdivision was previously approved [Case No. P2024-001] on February 20, 2024; however, this plat was never filed and has since expired. Given this, the applicant submitted a new final plat request proposing to reduce the overall lot count by one (1) residential lot for the purpose of establishing a future connection to the adjacent Juniper Subdivision.
- ☑ Background. The subject property was annexed by the City Council on December 20, 1999 through the adoption of Ordinance No. 99-33. At the time of annexation, the subject property was zoned Agricultural (AG) District. On March 6, 2023, the City Council approved a zoning case [Case No. Z2023-003] that changed the zoning designation of the subject property from an Agricultural (AG) District to Planned Development District 101 (PD-101) [Ordinance No. 23-11] for Single-Family 10 (SF-10) District land uses. On July 17, 2023, the City Council approved a master plat [Case No. P2023-016] and a preliminary plat [Case No. P2023-017] that establish the phasing and preliminary lot layout for the residential subdivision. On November 6, 2023, the City Council approved an *Alternative Tree Mitigation Settlement Agreement* [Case No. MIS2023-016]. On February 13, 2024, the Planning and Zoning Commission approved a PD site plan [Case No. SP2024-001] for Phase 1 of the Peachtree Meadows Subdivision. On February 20, 2024, the City Council approved a final plat [Case No. P2024-001] for Phase 1 of the Peachtree Meadows Subdivision; however, this subdivision plat was not filed and expired on August 18, 2024 (i.e. 180-days after the approval of the subdivision plat).
- ☑ Parks Board. The subject property is located within Park District #14, which carries a *Cash-in-Lieu of Land* fee of \$351.96 per residential lot and a *Pro-Rata Equipment Fee* of \$300.77 per lot. On May 6, 2025, the Parks and Recreation Board reviewed the Final Plat and made a recommendation to assess the following fees:

(1) The property owner shall pay *Pro-Rata Equipment* fees of \$44,213.19 (i.e. \$300.77 x 147 Lots = \$44,213.19).

(2) The property owner shall pay *Cash in Lieu of Land* fees of \$51,738.12 (i.e. \$351.96 x 147 Lots = \$51,738.12).

- ☑ Conformance to the Subdivision Ordinance. The surveyor has completed the majority of the technical revisions requested by staff, and this plat -- *conforming to the requirements for plats as stipulated by the Subdivision Ordinance in the Municipal Code of Ordinances* -- is recommended for conditional approval pending the completion of final technical modifications, submittal requirements, and conformance to the items listed in the Conditions of Approval section of this case memo.
- ☑ Conditions of Approval. Conditional approval of this Final Plat by the City Council shall constitute approval subject to the conditions stipulated in the Conditions of Approval section below.

#### CONDITIONS OF APPROVAL

If City Council chooses to approve of a Final Plat for Phase 1 of the Peachtree Meadows Subdivision, staff would propose the following conditions of approval:

- (1) All technical comments from City Staff (*i.e. Engineering, Planning and Fire Department*) shall be addressed prior to release of the civil engineering plans; and,
- (2) The development shall adhere to the Parks and Recreation Department's recommendations as outlined above in this case memo; and,
- (3) Any construction resulting from the approval of this Final Plat shall conform to the requirements set forth by the Unified Development Code (UDC), the International Building Code (IBC), the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

#### PLANNING AND ZONING COMMISSION

On May 13, 2025, the Planning and Zoning Commission approved a motion to recommend approval of the Final Plat by a vote of 4-0, with Commissioners Thompson and Hustings absent, and one (1) vacant seat.

## MEMORANDUM

---

**TO:** Mary Smith, City Manager

**FROM:** Chris Minckler, Information Technology Manager

**DATE:** May 14, 2025

**SUBJECT:** Police Vehicle Laptop Replacements

---

Staff is requesting that Council consider authorizing the City Manager to execute a purchase order for the replacement of 35 Getac laptops, for a cost of \$137,808, to be funded by the Technology Replacement Fund. The laptops currently being utilized were purchased in 2018 and have begun experiencing hardware failures. The current laptops are installed in the Rockwall Police Department vehicles where reliability is of upmost importance. Due to the devices being installed in vehicles, they experience more wear and tear than your standard laptops.

TO: Mayor and City Council  
DATE: May 19, 2025  
APPLICANT: James Jackson  
CASE NUMBER: Z2025-017; *Specific Use Permit for a Church/House of Worship at 670 Stodghill Road*

---

### SUMMARY

Hold a public hearing to discuss and consider a request by James Jackson on behalf of Eastridge Church of Christ for the approval of a Specific Use Permit (SUP) for a *Church/House of Worship* on a 15.159-acre parcel of land identified as a portion of Lot 1, Block A, Rockwall Lakeside Church of Christ Addition, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, situated within the FM-549 Overlay (FM-549 OV) District, addressed as 670 N. Stodghill Road, and take any action necessary.

### BACKGROUND

The subject property was annexed into the City of Rockwall on March 16, 1998 by *Ordinance No. 98-10 (i.e. Case No. A1998-001)*. At the time of annexation, the subject property was zoned Agricultural (AG) District and has remained zoned Agricultural (AG) District since annexation. On March 1, 2004, the City Council approved *Ordinance No. 04-16 (i.e. Case No. Z2004-004)* for a Conditional Use Permit (CUP) for a *House of Worship/Church*, a preliminary plat (*i.e. Case No. P2004-003*), and a site plan (*i.e. Case No. SP2004-001*) for the subject property. Following these approvals, a *Final Plat (i.e. Case No. P2004-020)* was adopted on May 17, 2004 and established the subject property as Lot 1, Block A, Rockwall Lakeside Church of Christ Addition. The site plan (*i.e. Case No. SP2004-004*) allowed for the construction of a church on an agriculturally zoned property, and the conditional use permit (*i.e. Case No. Z2004-004*) allowed an institutional use within an Agricultural (AG) District, which is essentially the same request the applicant is inquiring for today. If the applicant's request were to be approved then it would supersede *Ordinance No. 04-16*. On August 27, 2024, the Planning and Zoning Commission approved an *Exception (i.e. Case No. MIS2024-017)* to allow a front yard fence on the subject property. Currently on the subject property is a 54,766 SF church and a 50,000 SF parking lot.

### PURPOSE

The applicant -- James Jackson -- is requesting the approval of a Specific Use Permit (SUP) to allow for an expansion of an existing *Church/House of Worship* within an Agricultural (AG) District on the subject property.

### ADJACENT LAND USES AND ACCESS

The subject property is addressed as 670 Stodghill Road. The land uses adjacent to the subject property are as follows:

North: Directly north of the subject property are three (3) parcels of land (*i.e. 2855, 2785, & 2705 Rolling Meadows Drive*) developed with single-family homes. North of this is Rolling Meadows Drive, which is identified as a R2 (*i.e. residential, two [2] lane, undivided roadway*) on the Master Thoroughfare Plan contained in the OURHometown Vision 2040 Comprehensive Plan. Beyond this is the remainder of the Rolling Meadows Estates Subdivision, which consists of 18-residential lots and has been in existence since October 20, 1997. All of these properties are zoned Single-Family Estate District 4.0 (SFE-4).

South: Directly south of the subject property is one (1) parcel of land (*i.e. 588 Stodghill Road*) zoned Agricultural (AG) District and two (2) parcels of land (*i.e. 552 & 556 Stodghill Road*) zoned Single-Family Estate 1.5 District (SFE-1.5). South of this are four (4) parcels of land (*i.e. 516 & 544 Stodghill and 2155 & 2165 Airport Road*) zoned

Agricultural (AG) District, three (3) parcels of land (*i.e.* 2067, 2075, 2101 Airport Road) zoned Single-Family 1 (SF-1) District, and one (1) parcel of land (*i.e.* 2065 Airport Road) zoned Single-Family 16 (SF-16) District. All of these properties are developed with single-family homes with the exception of one (1) vacant lot (*i.e.* 2065 Airport Road). Following this is Airport Road, which is identified as an M4U (*i.e.* major collector, four [4] lane, undivided roadway) on the Master Thoroughfare Plan contained in the OURHometown Vision 2040 Comprehensive Plan.

East: Directly south of the subject property is the Corporate Limit for the City of Rockwall. Beyond this is Stodghill Road, which is identified as a A4D (*i.e.* arterial, four [4] lane, divided roadway) on the Master Thoroughfare Plan contained in the OURHometown Vision 2040 Comprehensive Plan.

West: Directly west of the subject property is the Ridgecrest Subdivision, which consists of 45 residential lots and has been in existence since December 22, 2016. All of these properties are zoned Planned Development District 81 (PD-81). West of this is the Greenlee Subdivision, which consists of 21 residential lots and has been in existence since September 25, 1972. Beyond this is the Airport Acres Subdivision, which consists of 20 residential lots and has been in existence since June 15, 1984. All of these properties are zoned Single-Family 10 (SF-10) District.

## CHARACTERISTICS OF THE REQUEST

The applicant has submitted an application and a concept plan requesting a Specific Use Permit (SUP) for the expansion of an existing *Church/House of Worship* on the subject property. According to the Rockwall Central Appraisal District (RCAD) there is an existing 54,766 SF church and 50,000 SF parking lot situated on the subject property. The applicant's letter details that the proposed expansion will be approximately 31,500 SF and will consist of class rooms and offices. The proposed concept plan also details the proposed locations for parking and the existing access drives surrounding the property. Additionally, the previously approved site plan indicated that 299 parking spaces would be provided with the construction of Phase 1 on the subject property. The current concept plan includes an additional 100 parking spaces, which should meet the requirements outlined in Table 5, *Parking Requirement Schedule*, of Article 06, *Parking and Loading*, in the Unified

Development Code (UDC) for the proposed expansion. Specifically, the expansion includes 5,000 square feet of office space, requiring 17 parking spaces (*i.e. at a ratio of 1 space per 300 square feet of building area*), leaving 83 remaining spaces to serve the proposed 26,500 square feet of classroom space.

### **CONFORMANCE WITH THE CITY'S CODES**

Subsection 02.02(C), *Institutional and Community Service Land Uses*, of Article 13, *Definitions*, of the Unified Development Code (UDC), defines a *Church/House of Worship* as “(a) facility or area primarily used for religious gatherings, ceremonies, and worship services. It typically includes a sanctuary or worship hall, administrative offices, classrooms for religious education, and often ancillary facilities such as a fellowship hall, kitchen, and parking lot. These facilities serve as places for spiritual practice, community gatherings, and religious observance for adherents of a particular faith or denomination.” In this case, the applicant's proposed use falls under this classification. According to the *Permissible Use Charts* contained in Article 04, *Permitted Uses*, of the Unified Development Code (UDC), a *Church/House of Worship* land use is permitted by Specific Use Permit (SUP) in an Agricultural (AG) District. The Specific Use Permit (SUP) process allows “...discretionary consideration of certain uses that would typically be considered incompatible within certain locations of a zoning district, but may become compatible with the addition of special provisions, conditions or restrictions.” Staff should point out that there is currently an existing *Church/House of Worship* already located at 670 N. Stodghill Road that was constructed in 2005; however, the expansion proposed by the applicant consists of a new buildings and future offices that were not originally identified on the Conditional Use Permit (SUP) approved in 2004 and these new improvements must be reviewed by the Planning and Zoning Commission and City Council.

### **OURHOMETOWN VISION 2040 COMPREHENSIVE PLAN**

According to the *Land Use Plan* contained in the OURHometown Vision 2040 Comprehensive Plan, the subject is situated within the Central District. The OURHometown Vision 2040 Comprehensive Plan describes the Central District as being “... composed of a wide range of land uses that vary from single-family to industrial.” In this case, the applicant is requesting to construct an expansion to an existing *Church/House of Worship*. Given this, the applicant's proposal appears to meet the intent of the district. That being said, this is a discretionary decision for the City Council pending a recommendation from the Planning and Zoning Commission.

### **NOTIFICATIONS**

On April 18, 2025, staff mailed 35 notices to property owners and occupants within 500-feet of the subject property. In addition, staff notified The Rolling Meadows Estates Homeowner's Association (HOA), which is the only Homeowners Association (HOA) or Neighborhood Organization within 1,500-feet of the subject property participating in the Neighborhood Notification Program. Additionally, staff posted a sign on the subject property, and advertised the public hearings in the Rockwall Herald Banner as required by the Unified Development Code (UDC). At this time, staff has received two (2) notices in opposition to the applicant's request.

### **CONDITIONS OF APPROVAL**

If City Council chooses to approve of the applicant's request for a Specific Use Permit (SUP) for a *Church/House of Worship* within an Agricultural (AG) District, then staff would propose the following conditions of approval:

- (1) The proposed *Church/House of Worship* shall conform to the Concept Plan depicted in *Exhibit 'B'* of the Specific Use Permit (SUP) ordinance; and,
- (2) The subject property shall be required to submit and receive approval for a site plan and replat prior to the issuance of a building permit; and,
- (3) Any construction resulting from the approval of this zoning change shall conform to the requirements set forth by the Unified Development Code (UDC), the International Building Code (IBC), the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

APPLICANT: Adam Buczek; *Skorburg Company*  
CASE NUMBER: Z2025-018; *Zoning Change (AG to SF-1) for 379 N. Country Lane*

---

### SUMMARY

Hold a public hearing to discuss and consider a request by Adam Buczek of the Skorburg Company on behalf of Dr. Karl Erwin of the Estate of Karl W. Erwin for the approval of a Zoning Change from an Agricultural (AG) District to a Single-Family 1 (SF-1) District on a 2.581-acre portion of a larger 101.43-acre tract of land identified as Tract 4 of the J. M. Gass Survey, Abstract No. 88, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, addressed as 379 N. Country Lane, and take any action necessary.

### BACKGROUND

The subject property was annexed on August 30, 1999 by *Ordinance No. 99-33 [Case No. A1999-001]*. At the time of annexation, the subject property was zoned Agricultural (AG) District. According to the Rockwall Central Appraisal District (RCAD), currently situated on the subject property is: [1] a 3,200 SF single-family home, [2] a 720 SF attached carport, [3] a 2,025 SF barn, and [4] a 1,320 SF barn. The two (2) barns were constructed in 1960. The single-family home and attached carport were constructed in 1985. Beyond these structures, the subject property has remained largely undeveloped and the zoning designation has not changed since annexation.

### PURPOSE

On March 15, 2024, the applicant -- *Adam Buczek* -- submitted an application requesting to change the zoning of the subject property from an Agricultural (AG) District to a Single-Family 1 (SF-1) District. The applicant has indicated that the purpose of the zoning change is to rezone the 2.581-acre portion of the 101.43-acre tract of land leftover from the Erwin Farms Subdivision zoning case (*i.e. Case No. Z2025-005*). Under this case, a 98.316-acre portion of the property was rezoned to Planned Development District 104 (PD-104), which allows for a 123-lot single-family, residential subdivision that consists of three (3) lot sizes (*i.e. [A] 100, 100' x 120' lots; [B] 17, 120' x 230' lots; and [C] 6, 120' x 275' lots*).

### ADJACENT LAND USES AND ACCESS

The subject property is addressed as 379 N. Country Lane. The land uses adjacent to the subject property are as follows:

Beyond this is the Nelson Lakes Subdivision, which consists of 262 single-family residential lots on 120.90-acres. This subdivision was filed with Rockwall County on February 28, 2023, and is zoned Planned Development District 90 (PD-90) for Single-Family 10 (SF-10) District land uses. Beyond this is FM-552, which is identified as an A4D (*i.e. arterial, four [4] lane, divided roadway*) on the Master Thoroughfare Plan contained in the OURHometown Vision 2040 Comprehensive Plan.

This subdivision was filed with Rockwall County on January 10, 2024, and is zoned Planned Development District 91 (PD-91) for Single-Family 16 (SF-16) District land uses. Beyond this is Maytona Ranch Estates, which consists of 19 single-family residential lots on 15.50-acres. This subdivision was filed with Rockwall County on September 26, 1983 before annexation into the city, and is currently zoned Agriculture (AG) District.

## CHARACTERISTICS OF THE REQUEST

The applicant is requesting to rezone the 2.581-acre tract of land from an Agricultural (AG) District to a Single-Family 1 (SF-1) District. The applicant has stated that if approved, it would be the property owner's intent to subdivide the property into two (2) parcels of land -- *each being a minimum of one (1) acre in size* -- in the future. It should be noted, that if this zoning change is approved, any development on the subject property will be required to adhere to all applicable requirements of the Unified Development Code (UDC) for a property that is zoned Single-Family 1 (SF-1) District.

## CONFORMANCE WITH THE CITY'S CODES

According to Subsection 05.02, *Single-Family 1 (SF-1) District*, of Article 05, *District Development Standards*, of the Unified Development Code (UDC), "(t)he Single-Family 1 (SF-1) District is the property zoning classification for larger, single-family lots that are a minimum of one (1) acre in size ... [and] is also intended to be used for developments that incorporate public/private parks, denominational and private schools, and churches that are essential in creating the basic neighborhood unit." The requested zoning change does appear to conform to the surrounding area. If the applicant's zoning request is approved, the subject property will be required to conform to all of the requirements stipulated for a property in a Single-Family 1 (SF-1) District, which are summarized as follows:

TABLE 1: SINGLE -FAMILY 1 (SF-1) DISTRICT STANDARDS

DWELLING UNITS/LOT	1.0
DWELLING UNITS/ACRE <sup>(1)</sup>	1.0
MINIMUM DWELLING UNIT SIZE	2,500
MINIMUM LOT AREA	8,400 SF
MINIMUM LOT WIDTH <sup>(2)</sup>	70'
MINIMUM LOT DEPTH	100'
MINIMUM FRONT YARD SETBACK	20'
MINIMUM SIDE YARD SETBACK <sup>(3)</sup>	6'
MINIMUM REAR YARD SETBACK	10'
MINIMUM BETWEEN BUILDINGS	10'
MAXIMUM BUILDING HEIGHT	36'
MAXIMUM LOT COVERAGE	45.00%
MINIMUM REQUIRED PARKING SPACES <sup>(4) &amp; (5)</sup>	2

### NOTES:

<sup>1</sup>: THE SINGLE-FAMILY 1 (SF-1)

<sup>2</sup>: FRONTAGE ON A PUBLIC STREET

<sup>3</sup>: THE SIDE SETBACK ADJACENT TO A STREET IS TREATED THE SAME AS A FRONT YARD BUILDING SETBACK.

<sup>4</sup>: MINIMUM LENGTH OF DRIVEWAY PAVEMENT FROM PUBLIC RIGHT-OF-WAY FOR REAR AND SIDE YARD IS 20-FEET.

<sup>5</sup>: AN ENCLOSED GARAGE SHALL NOT BE CONSIDERED IN MEETING THE OFF-STREET PARKING REQUIREMENTS.

## CONFORMANCE WITH OURHOMETOWN VISION 2040 COMPREHENSIVE PLAN

According to the OURHometown Vision 2040 Comprehensive Plan, the subject property is located within the Northeast Residential District and is designated for Low Density Residential (LDR) land uses. The Northeast Residential District is defined as being "...characterized by its established low-density residential subdivisions and rural/estate style lots... (t)he Northeast Residential District being mostly an established residential district, is not anticipated to change or transition." With this being said, most properties with single-family homes along N. Country Lane are situated on larger tracts of land. Based on this, the proposed zoning change conforms to the *District Strategies* which state that "...the maintenance of the Estate and Rural Residential housing types are important to balancing the diversity of suburban lots to large lot housing within the City." The applicant request also conforms to this strategy given that this district requires a minimum of one (1) acre lots. In addition, the *Land Use Plan* defines the Low Density Residential land use as a "...land use category [that] consists of residential subdivisions that are two (2) units per gross acre or less ..." In this case, the applicant is requesting a density of one (1) dwelling unit per acre. Based on this, the applicant's request appears to be in substantial conformance with the OURHometown Vision 2040 Comprehensive Plan.

## INFRASTRUCTURE

Based on the proposed request, the following infrastructure is required to be constructed to provide adequate public services for the development of the subject property:

- (1) Roadways. North Country Lane is identified as an M4U (*i.e. major collector, four [4] lane, undivided roadway*), which requires a minimum of a 65-foot right-of-way with a 45-foot *back-to-back* concrete street centered within the right-of-way. This means that the property owner will be required to dedicate the remaining right-of-way at the time of subdivision plat to ensure that the full right-of-way width of 65-feet is provided, and construct a minimum of 24-feet of paving with a five (5) foot sidewalk.
- (2) Water. The adjacent development is providing the water improvements for the proposed two (2) future parcels of land. Based on this no water improvements are necessary for the development of the subject property.
- (3) Wastewater. The adjacent development is providing the sewer improvements for the proposed two (2) future parcels of land. Based on this no wastewater improvements are necessary for the development of the subject property.
- (4) Drainage. All existing drainage patterns shall be maintained with the improvement of the subject property. In addition, no *lot-to-lot* drainage shall be allowed. Based on this additional detention may be required at the time of development.

## STAFF ANALYSIS

The proposed zoning change is consistent with the Unified Development Code (UDC), and conforms to the OURHometown Vision 2040 Comprehensive Plan; however, all zoning cases are discretionary decisions for the City Council pending a recommendation from the Planning and Zoning Commission.

## NOTIFICATIONS

On April 22, 2025, staff notified 62 property owners and occupants within 500-feet of the subject property. Staff also notified the Dalton Ranch Homeowner's Association (HOA) which is the only Homeowner's Association (HOA) or Neighborhood Organization within 1,500-feet of the subject property participating in the Neighborhood Notification Program. Additionally, staff posted a sign on the subject property, and advertised the public hearings in the Rockwall Herald Banner as required by the Unified Development Code (UDC). At the time this report was written, staff had not received any notices in regard to the applicant's request.

## CONDITIONS OF APPROVAL

If the City Council chooses to approve the applicant's request to rezone the subject property from an Agricultural (AG) District to a Single-Family 1 (SF-1) District, then staff would propose the following conditions of approval:

- (1) Any construction resulting from the approval of this Zoning Change shall conform to the requirements set forth by the Unified Development Code (UDC), the International Building Code (IBC), the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

## PLANNING AND ZONING COMMISSION

On May 13, 2025, the Planning and Zoning Commission approved a motion to approve the Zoning Change by a vote of 4-0, with Commissioners Hustings and Thompson absent and one (1) vacant seat.

Dear Mr. Miller,

In conjunction with the April 17, 2025 submittal cycle, the Skorburg Company (on behalf of The Estate of Karl W. Erwin, the "Owner") respectfully requests the enclosed zoning change proposal be taken to the next available Planning and Zoning Commission meeting for a work session as the first step in the zoning change request process. The  $\pm$  2.581 acres is expected to remain owned by the Owner for the foreseeable future, and the subject property is located within Tract 6 of the J. A. Ramsey Survey, Abstract No. 186, City of Rockwall, Rockwall County, Texas located east of FM 1141 on the south of and with road frontage to North Country Lane (the "Property").

The Property is currently zoned AG and contains one residential homestead. This is a straight zoning request to change the zoning to SF-1 (minimum 1-acre lots) with the objective of allowing the Owner to plat the Property in the future for two (2) minimum 1-acre sized lots (not to exceed 2 single family residential lots on the  $\pm$  2.581 acres).

Subject to receipt of the necessary approvals and in conjunction with the development of the Erwin Farms subdivision, the developer of Erwin Farms is committed to constructing / extending a sanitary sewer line into the Property in a manner that will enable the future lots within the Property to be on the City's sanitary sewer system as depicted on Exhibit "A" attached hereto.

If you have any questions or need further information, please don't hesitate to contact me.

Sincerely,

Skorburg Company

# 11 NORTHEAST RESIDENTIAL DISTRICT

↑ NORTHERN ESTATES DISTRICT (PAGE 1-24)

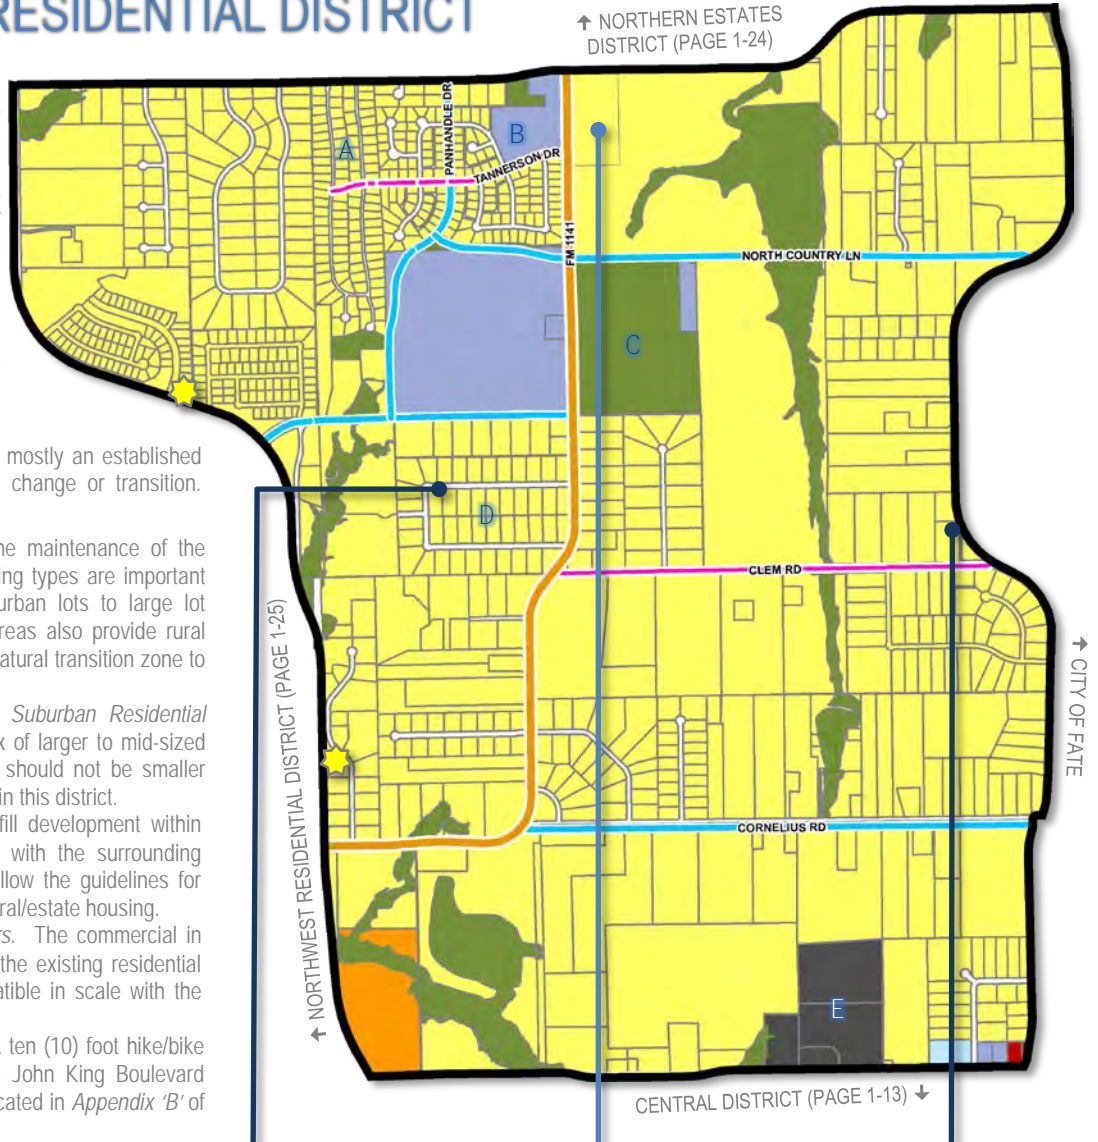

## DISTRICT DESCRIPTION

The *Northeast Residential District* is characterized by its established low-density residential subdivisions and rural/estate style lots. This district is anticipated to be a future growth center for the City, having several large vacant tracts of land suitable for low-density, residential development. In addition, the City currently owns a large tract of land that will be a northern community park and serve this district in the future.

## DISTRICT STRATEGIES

The *Northeast Residential District* being mostly an established residential district, is not anticipated to change or transition. The strategies for this district are:

- 1 **Estate and Rural Residential.** The maintenance of the *Estate* and *Rural Residential* housing types are important to balancing the diversity of suburban lots to large lot housing within the City. These areas also provide rural reserves for the City and create a natural transition zone to the east, towards FM-3549.
- 2 **Suburban Residential.** Any new *Suburban Residential* developments should include a mix of larger to mid-sized lots. Lots in these developments should not be smaller than existing *Suburban Residential* in this district.
- 3 **Infill Development.** Residential infill development within this district should be compatible with the surrounding structures and should generally follow the guidelines for low density, suburban housing or rural/estate housing.
- 4 **Neighborhood/Convenience Centers.** The commercial in this district is intended to support the existing residential subdivisions and should be compatible in scale with the adjacent residential structures.
- 5 **John King Boulevard Trail Plan.** A ten (10) foot hike/bike trail should be incorporated along John King Boulevard with rest stops and signage as indicated in *Appendix 'B'* of this Comprehensive Plan.

TO: Mayor and City Council  
DATE: May 19, 2025  
APPLICANT: Justin Jeffus  
CASE NUMBER: Z2025-020; *Specific Use Permit (SUP) for an Accessory Structure at 1214 East Fork Road*

---

### SUMMARY

Hold a public hearing to discuss and consider a request by Justin Jeffus for the approval of a Specific Use Permit (SUP) for an *Accessory Structure* that exceeds the maximum size on a 1.06-acre parcel of land identified Lot 2 of the Blase Addition, City of Rockwall, Rockwall County, Texas, zoned Single-Family 10 (SF-10) District, addressed as 1214 East Fork Road, and take any action necessary.

### BACKGROUND

The subject property was annexed into the City of Rockwall on June 20, 1959 by *Ordinance No. 59-02 [i.e. Case No. A1959-002]*. At the time of annexation, the subject property was zoned Single-Family 2 (SF-2) District. Sometime between January 3, 1972 and May 16, 1983, the subject property was rezoned from Single-Family 2 (SF-2) District to Single-Family 10 (SF-10) District. On January 22, 2008, the City Council approved a final plat [*i.e. Case No. P2007-036*] that established the subject property as Lot 2, Block 1, Blase Addition. According to the Rockwall Central Appraisal District (RCAD) there is an existing 4,735 SF single-family home that was constructed in 2008 situated on the subject property.

### PURPOSE

The applicant -- Justin Jeffus -- is requesting approval of a Specific Use Permit (SUP) for the purpose of allowing the construction of a 655 SF *Accessory Structure* on the subject property.

### ADJACENT LAND USES AND ACCESS

The subject property is located at 1214 East Fork Drive. The land uses adjacent to the subject property are as follows:

North: Directly north of the subject property is a 4.32-acre parcel of land (*i.e. Lot 3, Block 1, Blase Addition*) zoned Single-Family 10 (SF-10) District. Beyond this is a 15.092-acre parcel of land (*i.e. Lot 1, Block A, Rockwall Elementary School No. 9 Addition*) that belongs to Rockwall Independent School District and is zoned Planned Development District 29 (PD-29). North of this is N. Lakeshore Drive Road, which is identified as a *A4D (i.e. arterial, four (4) lane, divided roadway)* on the Master Thoroughfare Plan contained in the OURHometown Vision 2040 Comprehensive Plan.

South: Directly south of the subject property is East Fork Drive, which is identified as an *M4U (i.e. major collector, four (4) lane, undivided roadway)* on the Master Thoroughfare Plan contained in the OURHometown Vision 2040 Comprehensive Plan. Beyond this is Phase 3 of The Preserve Subdivision, which consists of 117 residential lots and has been in existence since August 31, 2007. These properties are zoned Planned Development District 41 (PD-41). South of this is Southwestern Drive, which is identified as a *Minor Collector* on the Master Thoroughfare Plan contained in the OURHometown Vision 2040 Comprehensive Plan.

East: Directly east of the subject property are Phases 1, 1A, and 2 of the Lakeview Summit Subdivisions, which are all zoned Planned Development District 29 (PD-29). Beyond this is a vacant 4.6021-acre tract of land (*i.e. Tract 4 of the J.H.B. Jones Survey, Abstract No. 124 & the S.S. McCurry Survey, Abstract No. 146*), which is zoned Planned

Development District 56 (PD-56). East of this is SH-205, which is identified as a A4D (*i.e. arterial, four [4] lane, divided roadway*) on the Master Thoroughfare Plan contained in the OURHometown Vision 2040 Comprehensive Plan.

West: Directly west of the subject property is a 4.32-acre parcel of land (*i.e. Lot 3, Block 1, Blase Addition*) zoned Single-Family 10 (SF-10) District. Beyond this is a vacant 9.623-acre tract of land which is part of a 13.3-acre tract of land (*i.e. Tract 11-3 of the A. Hanna Survey, Abstract No. 98*) zoned Planned Development District 3 (PD-3). East of this is a 0.8790-acre parcel of land (*i.e. Lot 2, Block A, North lake Shore Daycare*), which consists of a daycare (*i.e. Kiddie Academy*) and is zoned Planned Development District 41 (PD-41).

MAP 1: LOCATION MAP  
YELLOW: SUBJECT PROPERTY

## CHARACTERISTICS OF THE PROJECT

The applicant is requesting approval of a Specific Use Permit (SUP) for an *Accessory Structure* on the subject property. The structure is a total of 655 SF in size. The accessory structure has an approximate total height of 20-feet, 4¼-inches or 15-feet, 2¼-inches at the midpoint of the roof, with a 12:12 roof pitch. The proposed building elevations provided by the applicant indicate the structure will be clad in stone, have a brick or cast stone header, and consist of shaker siding. A chimney will also be incorporated into the structure.

## CHARACTERISTICS OF THE REQUEST AND CONFORMANCE TO THE CITY'S CODES

According to Article 13, *Definitions*, of the Unified Development Code (UDC) a *Residential Accessory Building or Structure* is defined as "(a) supplementary structure or building on a residential property that is secondary to the primary dwelling and serves a supportive or complementary function. These structures are typically used for purposes such as storage, recreation, or housing equipment and are ancillary to the primary residential use of the property." In addition, according to Subsection 07.04, *Accessory Structure Development Standards*, of Article 05, *District Development Standards*, of the Unified Development Code (UDC) an *Accessory Building* in a Single-Family 10 (SF-10) District is permitted by-right up to 144 SF and 15-feet in height. In this case,

the proposed *Accessory Building* is exceeding both the size and height requirements. The proposed *Accessory Building* is approximately 655 SF in size and 20-feet, 4¼-inches in total height. That being said, the height of an *Accessory Building* with a pitched roof is taken at the midpoint of the roof pitch. Given this, the height of the proposed *Accessory Building* is 15-feet, 2¼-inches. Based on this, the applicant is requesting approval of an *Accessory Structure* that exceeds the maximum permissible size by 511 SF and exceeds the maximum height by 2¼-inches.

In addition, each property shall be permitted one (1) detached garage up to 625 SF and one (1) accessory building up to 144 SF or two (2) accessory buildings up to 144 SF each. If a property has an existing accessory building greater than 144 SF, no additional accessory buildings or detached garages shall be permitted. In this case, the proposed structure would be the only accessory building on the subject property and would be greater than the maximum permissible size. If approved, no other accessory structures would be permitted on the subject property.

If the applicant's Specific Use Permit (SUP) is approved, staff has included operational conditions in the Specific Use Permit (SUP) ordinance that tie down the size and height of the proposed structure. With this being said, the approval of a Specific Use Permit (SUP) request is a discretionary decision for the City Council pending a recommendation from the Planning and Zoning Commission.

### NOTIFICATIONS

On April 18, 2025, staff mailed 75 property owner notifications to property owners and occupants within 500-feet of the subject property. Staff also notified the Rockwall Shores, The Shores on Lake Ray Hubbard, Lakeview Summit, and The Preserve Homeowner's Associations (HOAs), which are the only Homeowner's Associations (HOAs) or Neighborhood Organizations within 1,500-feet of the subject property participating in the Neighborhood Notification Program. Additionally, staff posted a sign on the subject property, and advertised the public hearings in the Rockwall Herald Banner as required by the Unified Development Code (UDC). At the time this report was drafted, staff has not received any notices in reference to the applicant's request.

### CONDITIONS OF APPROVAL

If City Council chooses to approve of the applicant's request for a Specific Use Permit (SUP) to construct an *Accessory Building* on the subject property, then staff would propose the following conditions of approval:

- (1) The applicant shall be responsible for maintaining compliance with the operational conditions contained in the Specific Use Permit (SUP) ordinance and which are detailed as follows:
  - (a) The development of the *Accessory Structure* shall generally conform to the Site Plan as depicted in *Exhibit 'B'* of the Specific Use Permit (SUP) ordinance.
  - (b) The *Accessory Structure* shall generally conform to the Building Elevations as depicted in *Exhibit 'C'* of the Specific Use Permit (SUP) ordinance.
  - (c) The *Accessory Structure* shall not exceed a maximum height of 20-feet, 4¼-inches.
  - (d) The *Accessory Structure* shall not exceed a maximum size of 655 SF.
  - (e) The *Accessory Structure* shall not be sold or conveyed separately from the single-family home without meeting the requirements of the zoning district and subdivision ordinance; and,
  - (f) No additional *Accessory Structures* may be constructed on the *Subject Property*.
- (2) Any construction resulting from the approval of this Specific Use Permit (SUP) request shall conform to the requirements set forth by the Unified Development Code (UDC), the International Building Code (IBC), the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING AND ZONING COMMISSION

On May 13, 2025, the Planning and Zoning Commission approved a motion to recommend approval of the Specific Use Permit (SUP) by a vote of 4-0, with Commissioners Thompson and Hustings absent, and one (1) vacant seat.

TO: Mayor and City Council  
DATE: May 19, 2025  
APPLICANT: Joseph Bickham; *Trinity River Development, LLC*  
CASE NUMBER: Z2025-021; *Zoning Change (AG to C)*

---

### SUMMARY

Hold a public hearing to discuss and consider a request by Joseph Bickham of the Trinity River Development, LLC on behalf of Aaron Albright of BYJ Holdings for the approval of a Zoning Change from an Agricultural (AG) District to a Commercial (C) District for a 1.650-acre portion of a larger 31.393-acre tract of land identified as Tract 3 of the N. Butler Survey, Abstract No. 20, City of Rockwall, Rockwall County, Texas, zoned Agricultural (AG) District, situated within the SH-205 By-Pass Overlay (SH-205 BY-OV) District, generally located north of the intersection of John King Boulevard and Airport Road, and take any action necessary.

### BACKGROUND

The subject property was annexed by the City Council on September 7, 1971 by *Ordinance No. 71-09 [Case No. A1971-001]*. At the time of annexation, the subject property was zoned Agricultural (AG) District. The subject property has remained vacant and zoned Agricultural (AG) District since annexation.

### PURPOSE

On April 17, 2025, the applicant -- *Joseph Bickman of the Trinity River Development, LLC* -- submitted an application requesting to change the zoning of the subject property from an Agricultural (AG) District to a Commercial (C) District to facilitate the future construction of a *Retail Store with Gasoline Sales*.

### ADJACENT LAND USES AND ACCESS

The subject property is generally located north of the intersection of Airport Road and John King Boulevard. The land uses adjacent to the subject property are as follows:

North: Directly north of the subject property is the remainder of a vacant 31.393-acre tract of land (*i.e. Tract 3 of the N. Butler Survey, Abstract No. 20*) of which the subject property is currently a portion of. This property is zoned Agricultural (AG) District. Directly north of this tract of land are two (2) vacant tracts of land (*i.e. a 7.133-acre tract of land identified as Tract 1-01 and a 1.607-acre tract of land identified as Tract 1-4 of the N. Butler Survey, Abstract No. 20*) that are zoned Agricultural (AG) District.

South: Directly south of the subject property is a vacant 1.803-acre tract of land (*i.e. Tract 4-06 of the N. Butler Survey, Abstract No. 20*) that is zoned Commercial (C) District. This is the tract of land that the applicant is proposing to combine with the subject property for the future construction of a *Retail Store with Gasoline Sales*. South of this tract of land is Airport Road, which is identified as a M4U (*i.e. major collector, four [4] lane, undivided roadway*) on the City's Master Thoroughfare Plan contained in the OURHometown Vision 2040 Comprehensive Plan. Beyond this thoroughfare is the City's Service Center, which is situated on a ten (10) acre parcel of land (*i.e. Lot 1 of the Rockwall Service Center Addition*) that is zoned Light Industrial (LI) District.

East: Directly east of the subject property is John King Boulevard, which is identified as a P6D (*i.e. principal arterial, six [6] lane, divided roadway*) on the City's Master Thoroughfare Plan contained in the OURHometown Vision 2040

Comprehensive Plan. Beyond this is the remainder of a vacant 31.393-acre tract of land (i.e. *Tract 3 of the N. Butler Survey, Abstract No. 20*) of which the subject property is currently a portion of. This property is zoned Agricultural (AG) District.

West: Directly west of the subject property is the remainder of a vacant 31.393-acre tract of land (*i.e. Tract 3 of the N. Butler Survey, Abstract No. 20*) of which the subject property is currently a portion of. Beyond this is a six (6) acre parcel of land (*i.e. Lot 1, Block A, Cornerstone Community Church Addition*) that is zoned Commercial (C) District. Currently situated on this parcel of land is a Church/House of Worship (*i.e. Cornerstone Church*). Beyond this is a three (3) acre parcel of land (*i.e. Lot 4, Block A, Columbia Park Addition*) that is zoned Commercial (C) District. Currently situated on this property is the Lakes Regional MHMR Center.

## CONFORMANCE TO THE CITY'S CODES

According to Subsection 04.05, *Commercial (C) District*, of Article 05, *District Development Standards*, of the Unified Development Code (UDC), “(t)he Commercial (C) District is the proper zoning classification for most types of commercial development (e.g. larger shopping centers at major intersections, commercial strips along arterial roadways, etc.). The land uses specified for the Commercial (C) District include most types of office and retail activity with some special provisions for wholesale land uses.” In addition, the Commercial (C) District is a general business zone, and is intended to service most commercial land uses with the exception of land uses that include outside storage. In this case, the applicant has stated that the subject property is being rezoned to facilitate the future construction of a *Retail Store with Gasoline Sales*, and is intended to be combined with the property directly south of the subject property and which is currently zoned Commercial (C) District. According to Article 05, *District Development Standards*, of the Unified Development Code (UDC), the following is a summary of the density and dimensional requirements of the Commercial (C) District:

TABLE 1: COMMERCIAL (C) DISTRICT STANDARDS

MINIMUM LOT AREA	10,000 SF
MINIMUM LOT WIDTH	60'
MINIMUM LOT DEPTH	100'

MINIMUM FRONT YARD SETBACK <sup>(1) &amp; (2)</sup>	15'
MINIMUM SIDE YARD SETBACK <sup>(3)</sup>	10'
MINIMUM REAR YARD SETBACK <sup>(3)</sup>	10'
MINIMUM BETWEEN BUILDINGS <sup>(3)</sup>	20'
MAXIMUM BUILDING HEIGHT <sup>(4)</sup>	60'
MAXIMUM LOT COVERAGE	60.00%
MINIMUM LANDSCAPING	20.00%

#### GENERAL NOTES:

- <sup>1</sup>: FROM FUTURE RIGHT-OF-WAY AS SHOWN ON THE ADOPTED MASTER THOROUGHFARE PLAN OR AS ACTUALLY EXISTS, WHICHEVER IS GREATER.
- <sup>2</sup>: PARKING SHOULD NOT BE LOCATED BETWEEN THE FRONT FAÇADE AND THE PROPERTY LINE.
- <sup>3</sup>: THE SETBACK CAN BE REDUCED TO ZERO (0) FEET WITH A FIRE RATED WALL.
- <sup>4</sup>: BUILDING HEIGHT MAY BE INCREASED UP TO 240-FEET IF APPROVED THROUGH A SPECIFIC USE PERMIT (SUP) BY THE PLANNING AND ZONING COMMISSION AND CITY COUNCIL.

If this zoning change is approved and when the subject property is developed, the development will be required to conform to all the requirements of the Unified Development Code (UDC), the International Building Code (IBC), the Rockwall Municipal Code of Ordinances, and any other applicable local, state or federal requirements.

#### CONFORMANCE WITH OURHOMETOWN VISION 2040 COMPREHENSIVE PLAN

According to the Future Land Use Plan contained in the OURHometown Vision 2040 Comprehensive Plan, the subject property is located within the Central District and is designated for Medium Density Residential land uses. This plan goes on to state that “(t)he Medium Density Residential land use category consists of residential subdivisions that are greater than two and one-half (2½) units per gross acre, but not higher than three (3) units per gross acre ...” In this case, the proposed zoning change would require that the City Council change this land use category to the Commercial/Retail designation, which is defined as a “...land use category [that] is characterized by single to multi-tenant commercial retail centers along major arterials at key intersections. These areas are typically considered to be convenience shopping centers and service adjacent residential subdivisions.” The District Strategies for the Central District go on to define Commercial/Retail Centers as “(t)he commercial/retail centers in this district are intended to support existing and proposed residential developments, and should be compatible in scale with adjacent residential structures (i.e. more characteristic of neighborhood/convenience centers); however, areas adjacent to John King Boulevard should be capable of accommodating mid to large-scale commercial users.” Since this request is for a zoning change that is not consistent with the Future Land Use Plan contained in the OURHometown Vision 2040 Comprehensive Plan, it is a discretionary decision for the City Council pending a recommendation from the Planning and Zoning Commission.

#### INFRASTRUCTURE

Based on the proposed request, the Engineering Department will provide additional comments at the time of site plan if the zoning change is approved; however, a *Flood Study* and/or *Letter of Map Revision (LOMR)* may be required if the development impacts the floodplain area.

#### STAFF ANALYSIS

A *Retail Store with Gasoline Sales* is a permitted *by-right* land use in the Commercial (C) District, and the applicant has stated that this will be the intended land use for the 1.803-acre tract of land south of the subject property. This property is already zoned Commercial (C) District (see Map 1). The applicant has also stated that if the zoning change is approved, the additional land will be combined with this tract and used to better situate the land use on the subject property. In addition, the larger tract of land will allow the proposed land use additional access along John King Boulevard. Staff should note that regardless of approval, the applicant will be required to establish a residential adjacency buffer with either a masonry wall and canopy trees on 20-foot centers or a 20-foot landscape buffer with three (3) tiered screening and a berm adjacent to the vacant tract of land currently zoned Agricultural (AG) District and which is designated for Medium Density Residential land uses on the Future Land Use Plan contained in the OURHometown Vision 2040 Comprehensive Plan (i.e. the 31.393-acre tract of land north and west of the subject property and of which the subject property is currently a part of). The additional land area should help the *Retail Store with Gasoline Sales* provide a better transition to any future development of the adjacent tract of land, which will most

likely be for residential land uses in the future; however, since this zoning change will require the City Council to amend the Future Land Use Plan from Medium Density Residential land uses to Commercial/Retail land uses, it does remain a discretionary decision for the City Council pending a recommendation from the Planning and Zoning Commission.

#### NOTIFICATIONS

On April 22, 2025, staff mailed eight (8) notices to property owners and occupants within 500-feet of the subject property. There are no Homeowner's Associations (HOAs) or Neighborhood Organizations within 1,500-feet of the subject property participating in the Neighborhood Notification Program. Additionally, staff posted a sign on the subject property, and advertised the public hearings in the Rockwall Herald Banner as required by the Unified Development Code (UDC). At the time this report was drafted, staff had received one (1) notice from one (1) property owner inside the 500-foot notification area in favor of the applicant's request.

#### CONDITIONS OF APPROVAL

If City Council chooses to approve of the applicant's request to rezone the subject property from an Agricultural (AG) District to a Commercial (C) District, then staff would propose the following conditions of approval:

- (1) By approving this zoning change, the City Council will effectively be approving changes to the Comprehensive Plan and Future Land Use Map. Specifically, this will change the designation of the subject property from a Medium Density Residential designation to a Commercial/Retail designation; and,
- (2) Any construction resulting from the approval of this Zoning Change shall conform to the requirements set forth by the Unified Development Code (UDC), the International Building Code (IBC), the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

#### PLANNING AND ZONING COMMISSION

On May 13, 2025, the Planning and Zoning Commission approved a motion to recommend approval of the Zoning Change by a vote of 4-0, with Commissioners Thompson and Hustings absent and one (1) vacant seat.

This will allow better access to the corner commercial site and should improve traffic flow with a turn rather than to the intersection then into the site. All of the west side of JK should have 250 ft depth commercial, or thereabouts.

SURVEYING**

# 01 CENTRAL DISTRICT

## DISTRICT DESCRIPTION

The *Central District* is composed of a wide range of land uses that vary from single-family to industrial. The district's residential areas consist of suburban residential (e.g. *Park Place*), estate and rural residential (e.g. *Rolling Meadows Subdivision*), and higher density residential developments (e.g. *Evergreen Senior Living*). The *Central District* also incorporates a high volume of industrial land uses adjacent to the *Union Pacific/Dallas Garland and Northeastern Rail Road* line that bisects the district -- and *City* -- in an east/west direction. The *Ralph Hall Municipal Airport* and several other large public/school facilities are also located within the boundaries of this district.

★ John King Boulevard Trail Plan  
Rest Stop/Trailblazer Pylon

## DISTRICT STRATEGIES

The *Central District* still has some key vacant and underutilized tracts of land that are anticipated to shape the area moving forward. Taking these areas into consideration the following are the strategies for this district:

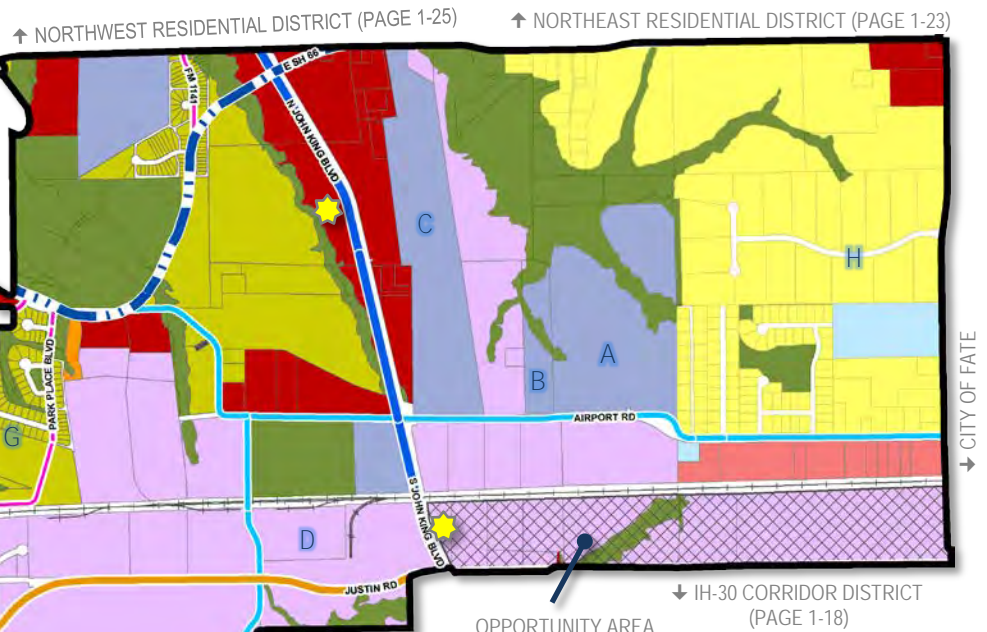

- 1 **Live/Work.** The live/work designation in this district is intended to provide flexibility for land owners, adjacent to the railroad tracks, to transition their properties -- *when appropriate* -- to low intensity office/retail land uses that are similar in scale and scope to the adjacent residential properties.
- 2 **Suburban Residential.** While many of the larger tracts in this area are not large enough to support a master planned community (*which is characteristic of Northern Estates and Northwest Residential Districts*), any new *Suburban Residential* developments should include a mix of larger to mid-sized lots. Lots in these developments should not be smaller than existing *Suburban Residential* lots in this district, but should be comparable in size to newer developments (i.e. *Ridgecrest Subdivision*). In addition, newer subdivisions adjacent to existing larger lot subdivisions should provide a transition (e.g. *larger lots or a large landscape buffer*) adjacent to the existing subdivision.
- 3 **Commercial/Retail Centers.** The commercial/retail centers in this district are intended to support existing and proposed residential developments, and should be compatible in scale with adjacent residential structures (i.e. *are more characteristic of neighborhood/convenience centers*); however, areas adjacent to John King Boulevard should be capable of accommodating mid to large-scale commercial users. All commercial developments should incorporate appropriate screening (e.g. *berms, landscaping and large buffers*) to transition uses.
- 4 **Industrial/Special Commercial Corridor Opportunity Area.** The area south of the railroad tracks that is indicated by a crosshatched pattern represents an opportunity area in the City of Rockwall. Due to its adjacency to the railroad tracks, the land is naturally suitable for *Technology/Industrial* land uses; however, due to the land's adjacency to strategically located parcels along IH-30 the land could be utilized as part of a larger development in the *Special Commercial Corridor*.
- 5 **John King Boulevard Trail Plan.** A ten (10) foot hike/bike trail should be incorporated along John King Boulevard with rest stops and signage as indicated in *Appendix 'B'* of this Comprehensive Plan.

## ● COMMERCIAL/RETAIL (CR)

The *Commercial/Retail* land use category is characterized by single to multi-tenant commercial retail centers along major arterials at key intersections. These areas are typically considered to be convenience shopping centers and service adjacent residential subdivisions. Zoning in conformance with the Commercial/Retail land uses category can be incorporated into a Planned Development (PD) District as part of a larger mix-use master planned community, and may vary in size depending on the adjacent service area. In certain cases where commercial land uses are eminent, it may be appropriate to incorporate zoning in conformance to the Commercial land use category on all four (4) corners of an intersection; however, this is not necessary in all cases. These areas should be designed with the pedestrian in mind, and provide connections between the commercial land use and the adjacent residential subdivision.

### DESIGNATION CHARACTERISTICS

- ① Primary Land Uses: Commercial Retail Buildings, Restaurants/Brew Pubs, Multi-Tenant Commercial Centers, Neighborhood Centers and Convenience Centers
- ② Secondary Land Uses: Office/Financial Institutions, Parks, Open Space, and Institutional/Civic Land Uses
- ③ Zoning Districts: Neighborhood Services (NS) District, General Retail (GR) District, Commercial (C) District and certain mixed-use Planned Development (PD) Districts

### EXISTING LAND USE EXAMPLES

- ① Shops at Stone Creek
- ② Corner of the Intersection of N. Lakeshore Drive and N. Goliad Street [SH-205]
- ③ Walmart Neighborhood Market Shopping Center

## ● COMMERCIAL/INDUSTRIAL (CI)

The *Commercial/Industrial* land use category typically is characterized by smaller business and industrial land uses that are focused around assembly, manufacturing and fabrication. This designation may also accommodate land uses that require outside storage. These areas are also appropriate for small business and business incubator arrangements. Land uses under this designation should be heavily screened by landscaping and should be separated from other land uses using large buffers and roadways. These areas are not appropriate adjacent to residential land use designations and should be separated from these areas using transitional land uses.

### DESIGNATION CHARACTERISTICS

- ① Primary Land Uses: Small Scale Manufacturing, Assembly, and Fabrication Businesses, Business Incubators, Contractors Shops, and Heavy Equipment/Truck Rental Businesses
- ② Secondary Land Uses: Warehouse and Outside Storage
- ③ Zoning Districts: Heavy Commercial (HC) District and Heavy Industrial (HI) District

### EXISTING LAND USE EXAMPLES

- ① Areas Adjacent to National Drive
- ② Areas Adjacent to Sids Road

## ● BUSINESS CENTERS (BC)

The Business Center land use designation is intended to provide areas with a variety of employment options. While focusing on employment land uses, these areas may also incorporate limited supporting land uses (e.g. restaurants and commercial-retail) that complement the primary land uses. These areas should be designed with public amenities and greenspaces, increased landscaping, and unique design features that will help create a sense of place.

### DESIGNATION CHARACTERISTICS

- ① Primary Land Uses: Professional Offices, Corporate Offices, General Offices, Institutional Land Uses, Research and Design/Development Businesses, and Technology/Data Centers.
- ② Secondary Land Uses: Supporting Restaurants and Commercial-Retail Land Uses, Hotels, Parks, Open Space and Civic Uses
- ③ Zoning Districts: Commercial (C) District, Light Industrial (LI) District, and Planned Development (PD) Districts

TO: Mayor and City Council  
DATE: May 19, 2025  
APPLICANT: Jerret R. Smith  
CASE NUMBER: Z2025-022; *Specific Use Permit (SUP) for a Residential Infill at 704 S. Alamo Road*

---

### SUMMARY

Hold a public hearing to discuss and consider a request by Jerret R. Smith for the approval of a Specific Use Permit (SUP) for *Residential Infill in an Established Subdivision* on a 0.1960-acre parcel of land identified as Lot 2, Block A, Highridge Addition, City of Rockwall, Rockwall County, Texas, zoned Single-Family 10 (SF-10) District, and addressed as 704 S. Alamo Road, and take any action necessary.

### BACKGROUND

The subject property was annexed into the City of Rockwall on June 20, 1959 by *Ordinance No. 59-02 [Case No. A1959-002]*. According to the January 3, 1972 *Historic Zoning Maps*, the subject property was zoned Single-Family 2 (SF-2) District. Sometime between January 3, 1972 and May 16, 1983, the subject property was rezoned to Single-Family 10 (SF-10) District, and has remained zoned Single-Family 10 (SF-10) District since this change. The subject property has remained vacant since its annexation. On December 10, 2024, the Planning and Zoning Commission approved a motion to recommend approval of the Specific Use Permit (SUP) by a vote of 6-0; however, on December 16, 2024, the City Council approved a motion to deny the Specific Use Permit (SUP) by a vote of 6-0. The stated reason for the denial was due to the applicant not being present at the meeting. On March 25, 2025, the Planning and Zoning Commission approved a motion by a vote of 7-0, permitting the applicant to resubmit the original request prior to the standard one (1) year waiting period.

### PURPOSE

The applicant -- *Jerret R. Smith* -- is requesting the approval of a Specific Use Permit (SUP) for the purpose of constructing a single-family home on the subject property in accordance with Subsection 02.03(B)(11), *Residential Infill in or Adjacent to an Established Subdivision*, of Article 04, *Permissible Uses*, of the Unified Development Code (UDC).

Alamo Road, which is identified as a R2U (*i.e. residential, two [2] lane, undivided roadway*) on the City's Master Thoroughfare Plan contained in the OURHometown Vision 2040 Comprehensive Plan. East of this is the Amachris Subdivision, which consists of seven (7) lots developed with single-family homes and is zoned Planned Development District 12 (PD-12). Beyond this is a 1.9192-acre parcel of land (*i.e. Lot 2, Block 1, Goliad Place Addition*), which consists of the First Baptist Church Student Ministry and is zoned General Retail (GR) District.

West: Directly west of the subject property are six (6) parcels of land (*i.e. 703, 705, 707, 711, 713, & 715 Forest Trace*) developed with single-family homes and one (1) vacant parcel of land (*i.e. 709 Forest Trace*). Beyond this is Forest Trace, which is identified as a R2U (*i.e. residential, two [2] lane, undivided roadway*) on the City's Master Thoroughfare Plan contained in the OURHometown Vision 2040 Comprehensive Plan. West of this is the remainder of the Highridge Estates Subdivision, which consists of 99 lots and is zoned Single-Family District 10 (SF-10) District.

## **CHARACTERISTICS OF THE REQUEST AND CONFORMANCE TO THE CITY'S CODES**

Article 13, *Definitions*, of the Unified Development Code (UDC) defines *Residential Infill in or Adjacent to an Established Subdivision* as “(t)he new development of a single-family home or duplex on an existing vacant or undeveloped parcel of land or the redevelopment of a developed parcel of land for a new single-family home or duplex within an established subdivision that is mostly or entirely built-out.” An *established subdivision* is further defined in Subsection 02.03(B) (11) of Article 04, *Permissible Uses*, of the UDC as “...a subdivision that consists of five (5) or more lots, that is 90.00% developed, and that has been in existence for more than ten (10) years.” In this case, the subject property is situated within the Highridge Subdivision, which is 98.00% developed, consists of 97 residential lots, and has been in existence since June 1, 1972. The *Permissible Use Charts* contained in Article 04, *Permissible Uses*, of the UDC, requires a Specific Use Permit (SUP) for *Residential Infill in or Adjacent to an Established Subdivision* in all single-family zoning districts, the Two-Family (2F) District, the Downtown (DT) District, and the Residential-Office (RO) District. This property, being within an established subdivision, requires a Specific Use Permit (SUP).

In addition, Subsection 02.03(B)(11) of Article 04, *Permissible Uses*, of the UDC states that, “...the Planning and Zoning Commission and City Council shall consider the proposed size, location, and architecture of the home compared to the existing housing ... [and] (a)ll housing proposed under this section [*i.e. Residential Infill in or Adjacent to an Established Subdivision*] shall be constructed to be architecturally and visually similar or complimentary to the existing housing ...” The following is a summary of observations concerning the housing along Forest Trace and S. Alamo Road compared to the house proposed by the applicant:

Housing Design and Characteristics	Existing Housing on S. Alamo Road and in Close Proximity to the Subject Property	Proposed Housing
Building Height	One (1) and Two (2) Story	Two (2) Story
Building Orientation	The homes along S. Alamo face onto S. Alamo Road.	The front elevation of the home will face S. Alamo Road.
Year Built	1978- 2015	N/A
Building SF on Property	2,126 SF – 4,957 SF	5,059 SF
Building Architecture	Single Family Homes and Four (4) Vacant Lots	Comparable Architecture to the surrounding Single-Family Homes
Building Setbacks:		
Front	20-Feet	25-Feet
Side	6-Feet	6-Feet
Rear	10-Feet	X>10-Feet
Building Materials	Brick, Siding, Stone and Stucco	Board and Batten Siding
Paint and Color	Brown, Red, White, Orange	N/A
Roofs	Composite Shingles	Board and Batten
Driveways/Garages	Driveways all front the same street the single-family home faces. Homes consist of rear entry garages or no garages.	The proposed home will incorporate a j-swing garage.

Staff should note that the proposed single-family home meets all of the density and dimensional requirements for the Single Family 10 (SF-10) District as stipulated by the Unified Development Code (UDC). For the purpose of comparing the proposed home to the existing single-family housing located adjacent to or in the vicinity of the subject property, staff has provided photos of the properties along S. Alamo Road and Forest Trace and also provided the proposed building elevations in the attached packet. The approval of this request is a discretionary decision for the City Council pending a recommendation from the Planning and Zoning Commission and a finding that the proposed house will not have a negative impact on the existing subdivision.

#### NOTIFICATIONS

On April 18, 2025, staff mailed 66 notices to property owners and occupants within 500-feet of the subject property. Staff also notified the Stonebridge Meadows, Bent Creek Condos, and Highridge Estates Homeowners Associations (HOAs), which are the only HOAs within 1,500-feet of the subject property participating in the Neighborhood Notification Program. Additionally, staff posted a sign on the subject property, and advertised the public hearings in the Rockwall Herald Banner as required by the Unified Development Code (UDC). At the time this report was drafted, staff had not received any notices back regarding the applicant's request.

#### CONDITIONS OF APPROVAL

If City Council chooses to approve of the applicant's request for a Specific Use Permit (SUP) for *Residential Infill in an Established Subdivision*, then staff would propose the following conditions of approval:

- (1) The applicant shall be responsible for maintaining compliance with the operational conditions contained in the Specific Use Permit (SUP) ordinance and which are detailed as follows:
  - (a) Development of the *Subject Property* shall generally conform to the *Residential Plot Plan* as depicted in *Exhibit 'B'* of the draft ordinance.
  - (b) Construction of a single-family home on the *Subject Property* shall generally conform to the *Building Elevations* depicted in *Exhibit 'C'* of the draft ordinance; and,
  - (c) Once construction of the single-family home has been completed, inspected, and accepted by the City, the Specific Use Permit (SUP) shall expire, and no further action by the property owner shall be required.
- (2) Any construction resulting from the approval of this Specific Use Permit (SUP) shall conform to the requirements set forth by the Unified Development Code (UDC), the International Building Code (IBC), the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

#### PLANNING AND ZONING COMMISSION

On May 13, 2025, the Planning and Zoning Commission approved a motion to recommend approval of the Specific Use Permit (SUP) by a vote of 4-0, with Commissioners Thompson and Hustings absent, and one (1) vacant seat.

## **MEMORANDUM**

---

**TO:** Rockwall City Council

**FROM:** Joey Boyd, Assistant City Manager

**DATE:** May 16, 2025

**SUBJECT:** Kyle Drive Parking Concerns

---

In 2015, “No Parking” signs were installed along Kyle Drive on the east side of Rockwall High School at the same time a crosswalk was installed at the request of Rockwall ISD. The concern at the time was that the athletic field is across the street from the Rockwall High School main campus and is used during the day for practice and at nights for competition. Students and other spectators must cross Kyle Drive to access the public restrooms, locker rooms, and the concession stand.

It was discovered in 2020 that an ordinance was never adopted by the City Council to legally establish this no parking zone and was therefore not enforceable. In December 2020, the City Council discussed an ordinance prohibiting parking along Kyle Drive from W. Yellow Jacket Lane to the Interstate 30 access road but ultimately decided not to approve parking restrictions along this roadway shown in the attached exhibit.

Council member Campbell has asked for an agenda item to discuss implementing a no parking ordinance on Kyle Drive.
