Re: Albright, Hill & Sumpter, PC
Albright-Hill Addition
Lot 1, Block 1

Ms. Williams:

A representative of our company visited the site and has visually verified to the best of the engineer's professional opinion, knowledge and belief, that based on the observation along with survey work conducted at the site by Rudy Rangel, R.P.L.S., the final grading, and site drainage, which includes the detention volume, comply with the City approved plans and details or are within acceptable tolerances.

If you should have any questions, please do not hesitate to call.

Sincerely,

BENTLEY ENGINEERING, INC.
