**RE: CARTUH LAKES PHASE 7B**  
**JBI Project No.: HOE132B**

Dear Ms. Williams:

As a representative of JBI Partners, Inc., I visited the site and visually verified to the best of my engineering professional opinion, knowledge, and belief, that based on my observations along with construction staking work and pad verification conducted at the site by JBI Partners, the final grading and drainage comply with the City approved plans and details that were approved for construction.

Survey monuments were set by the utility contractor in Curb Inlet 10C, located in the south curb line of White Water Lane, just east of Eerie Drive and Curb Inlet 16K, located in the east curb line of Palasades Court. Coordinates for the monuments are as follows:

Curb Inlet 10C	Curb Inlet 16K
N=7033798.84	N=7034213.15
E=2599225.22	E=2599908.30
Elev.=524.37	Elev.=533.07

The storm drainage outfall at the end of Line 16 which outfalls from Crescent Cove Drive and the headwall at the beginning of Lat 10A were surveyed by JBI Partners.

Headwall at end of Line 16	Headwall at beginning of Lat 10A
N=7034096.63	N=7033812.18
E=2599032.54	E=2598983.68
Elev.=514.50	Elev.=513.25

Sincerely,

JBI PARTNERS, INC.
