FEDERAL EMERGENCY MANAGEMENT AGENCY **ELEVATION FORM**

O.M.B. NO. 3067-0147 Expires September 30, 2005

PAPERWORK BURDEN DISCLOSURE NOTICE

Public reporting burden for this form is estimated to average 1 hour per response. The burden estimate includes the time for reviewing instructions, searching existing data sources, gathering and maintaining the needed data, and completing, reviewing, and submitting the form. You are not required to respond to this collection of information unless a valid OMB control number appears in the upper right corner of this form. Send comments regarding the accuracy of the burden estimate and any suggestions for reducing this burden to: Information Collections Management, Federal Emergency Management Agency, 500 C Street, SW, Washington DC 20472, Paperwork Reduction Project (3067-0147). Submission of the form is required to obtain or retain benefits under the National Flood Insurance Program. Please do not send your completed survey to the above address.

This form must be completed for requests and must be completed and signed by a registered professional engineer or licensed land surveyor. A FEMA National Flood Insurance Program (NFIP) Elevation Certificate may be submitted in addition to this form for single structure requests.

structure on natural grade OR on engineered fill from the Special Flood Hazard Area (SEHA), submit the lowest adjacent

grad prov	le (the lowe	st ground touchi est lot elevation;	na the structure), incl	luding an	attached	deck or garage. For	requests to rem	nove an entire parcel of land from the SFHA, the lowest elevation within the metes and
