My name is Moishy Kalmenson and I serve as Rabbi of the local Jewish community. Together with my wife Chana, we direct Chabad of Rockwall County, a non-profit organization and house of worship for Jews across the county.

We moved just over four years ago to Rockwall. Currently, we operate out of our home. We are under contract on 917 N Goliad/918 N Alamo. Our plan for this property is to use it as our house of worship(synagogue)/community center.

Currently, the zoning for 917 N Goliad is PD 50: RO, without an allowance for house of worship. We are applying to change the zoning code to allow for a house of worship with an SUP.

A house of worship strengthens the bonds, roots, and values of a community, and enhances and deepens the quality of life for the entire community.

Our plan would be to provide ample parking on the lot (total of half acre), above the required amount for our sanctuary size. Additionally, as per Jewish law, some of our community members actually walk to synagogue, further alleviating parking concerns.

The scale of our community is small; there are only a few hundred Jews in the county. (Our religious services are geared for Jewish congregants, while classes and other activities are open to the community.) The space would be a total of 1300 sq ft, with a sanctuary space of 400 square ft. For weekly services we have 10-20 attendees. Even with projected growth over the upcoming years, this would not be adding a significant burden to the traffic on the 205.

(Additionally, our services are on Saturday, which would not coincide with any Sunday Church traffic.)

For these reasons we are asking to amend the zoning to allow a house of worship in PD50 with a SUP.

This would allow the city to ensure that in the future there won't be traffic/parking concerns, while still enabling houses of worship to serve the wonderful Rockwall community.

Thank you for your consideration!

info@jewishrockwall.com

My name is Moishy Kalmenson and I serve as Rabbi of the local Jewish community. Together with my wife Chana, we direct Chabad of Rockwall County, a non-profit organization and house of worship for Jews across the county.

We moved just over four years ago to Rockwall. Currently, we operate out of our home. We are under contract on 917 N Goliad/918 N Alamo. Our plan for this property is to use it as our house of worship(synagogue)/community center.

Currently, the zoning for 917 N Goliad is PD 50: RO, without an allowance for house of worship. We are applying to change the zoning code to allow for a house of worship with an SUP.

A house of worship strengthens the bonds, roots, and values of a community, and enhances and deepens the quality of life for the entire community.

Our plan would be to provide ample parking on the lot (total of half acre), above the required amount for our sanctuary size. Additionally, as per Jewish law, some of our community members actually walk to synagogue, further alleviating parking concerns.

The scale of our community is small; there are only a few hundred Jews in the county. (Our religious services are geared for Jewish congregants, while classes and other activities are open to the community.) The space would be a total of 1300 sq ft, with a sanctuary space of 400 square ft. For weekly services we have 10-20 attendees. Even with projected growth over the upcoming years, this would not be adding a significant burden to the traffic on the 205.

(Additionally, our services are on Saturday, which would not coincide with any Sunday Church traffic.)

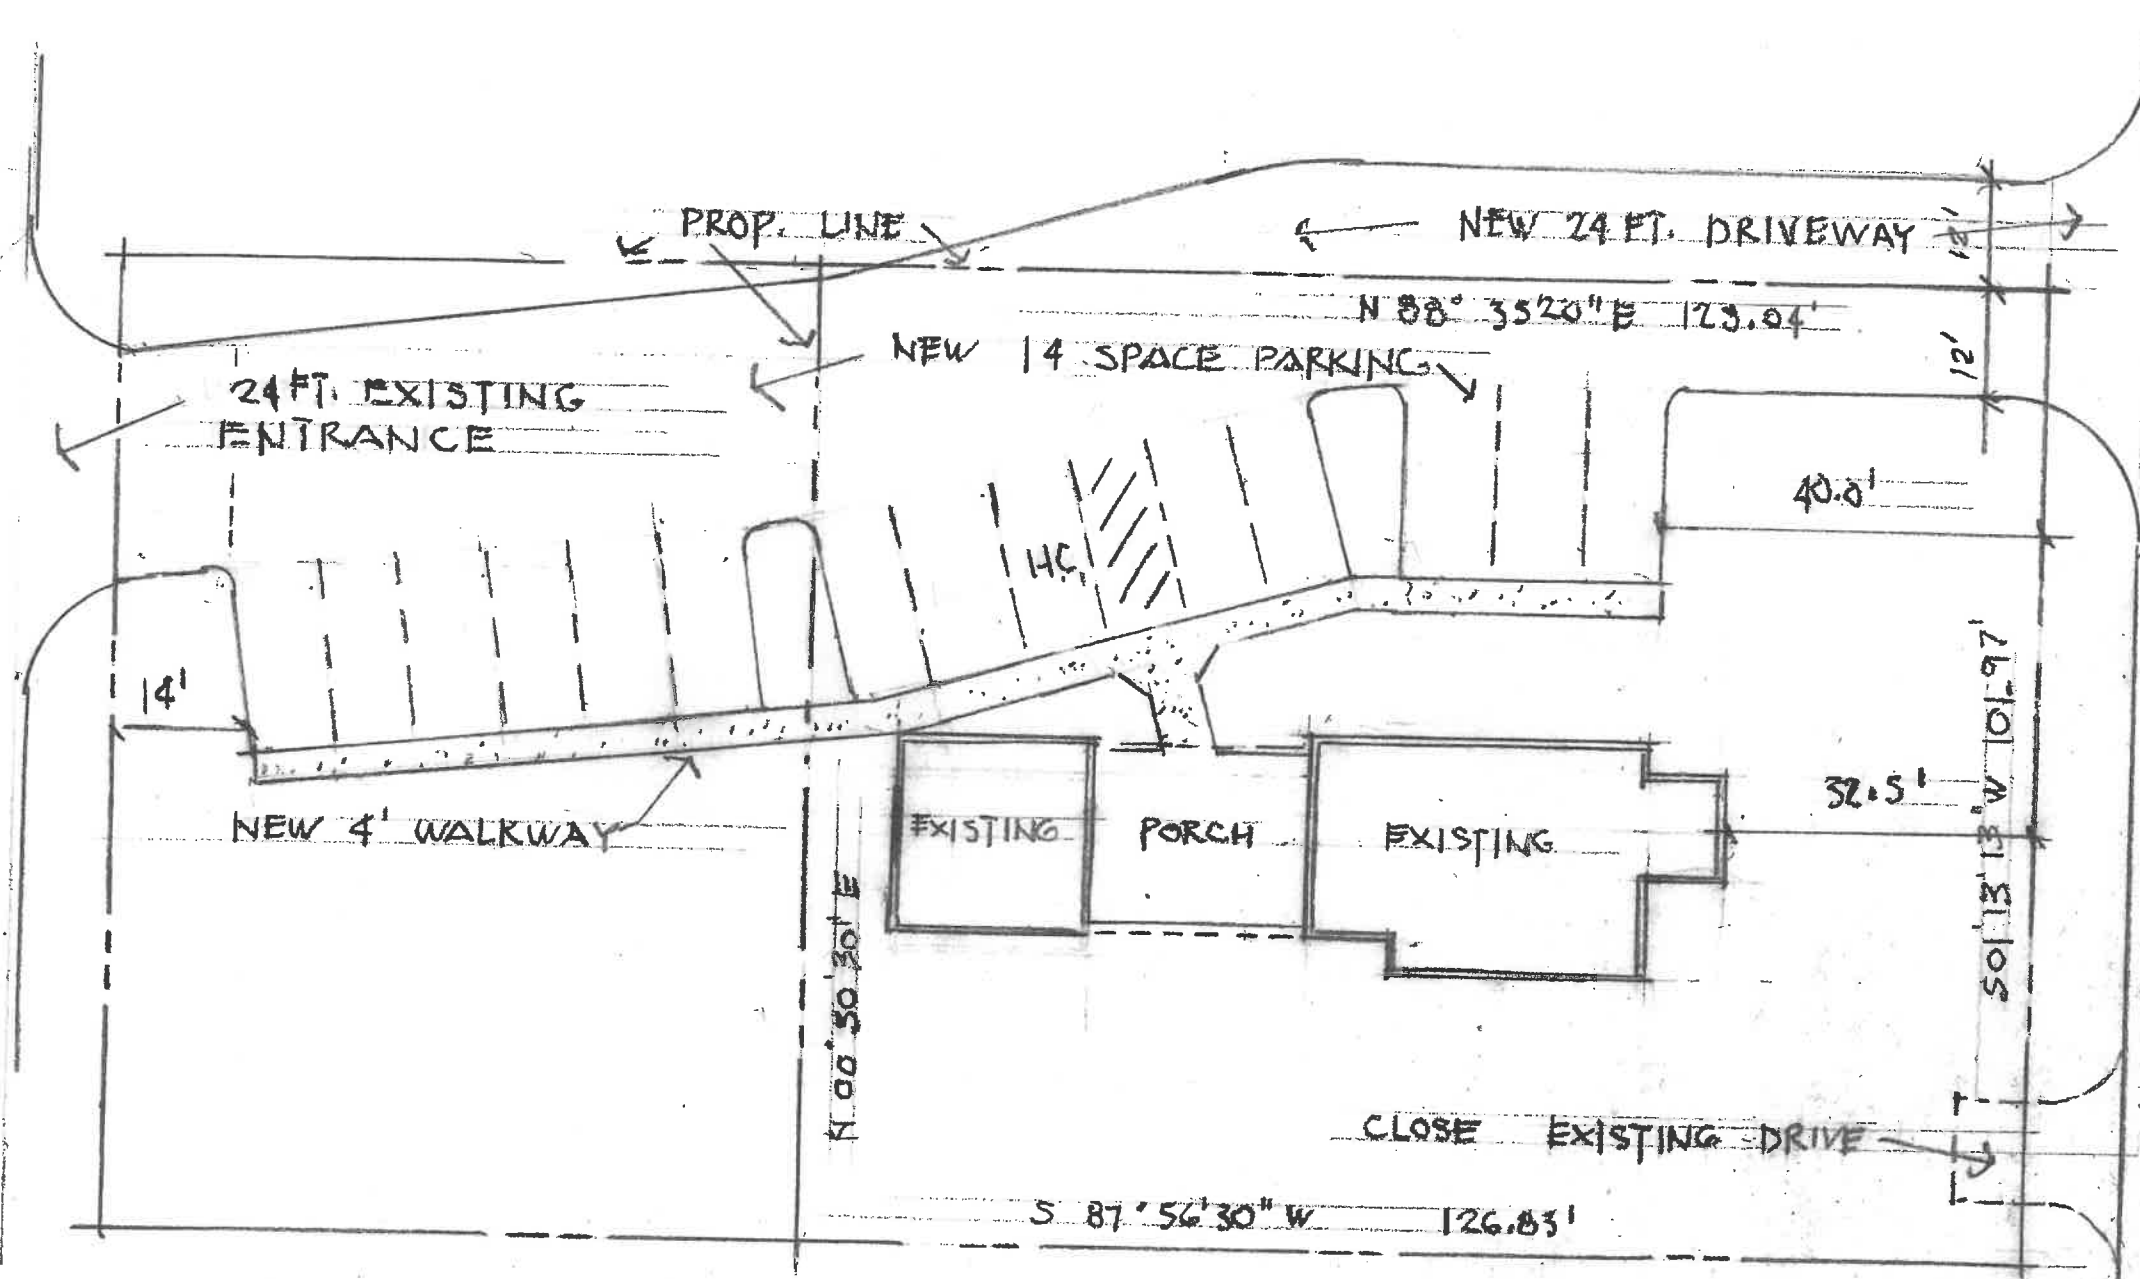

For these reasons we are asking to amend the zoning to allow a house of worship in PD50 with a SUP.

This would allow the city to ensure that in the future there won't be traffic/parking concerns, while still enabling houses of worship to serve the wonderful Rockwall community.

Thank you for your consideration!

info@jewishrockwall.com

My name is Moishy Kalmenson and I serve as Rabbi of the local Jewish community. Together with my wife Chana, we direct Chabad of Rockwall County, a non-profit organization and house of worship for Jews across the county.

We moved just over four years ago to Rockwall. Currently, we operate out of our home. We are under contract on 917 N Goliad/918 N Alamo. Our plan for this property is to use it as our house of worship(synagogue)/community center.

Currently, the zoning for 917 N Goliad is PD 50: RO, without an allowance for house of worship. We are applying to change the zoning code to allow for a house of worship with an SUP.

A house of worship strengthens the bonds, roots, and values of a community, and enhances and deepens the quality of life for the entire community.

Our plan would be to provide ample parking on the lot (total of half acre), above the required amount for our sanctuary size. Additionally, as per Jewish law, some of our community members actually walk to synagogue, further alleviating parking concerns.

The scale of our community is small; there are only a few hundred Jews in the county. (Our religious services are geared for Jewish congregants, while classes and other activities are open to the community.) The space would be a total of 1300 sq ft, with a sanctuary space of 400 square ft. For weekly services we have 10-20 attendees. Even with projected growth over the upcoming years, this would not be adding a significant burden to the traffic on the 205.

(Additionally, our services are on Saturday, which would not coincide with any Sunday Church traffic.)

For these reasons we are asking to amend the zoning to allow a house of worship in PD50 with a SUP.

This would allow the city to ensure that in the future there won't be traffic/parking concerns, while still enabling houses of worship to serve the wonderful Rockwall community.

Thank you for your consideration!

Tzermach Moshe (Moishy) Kalmenson

PLANNING AND ZONING COMMISSION MEMORANDUM

PLANNING AND ZONING DEPARTMENT

385 S. GOLIAD STREET • ROCKWALL, TX 75087

PHONE: (972) 771-7745 • EMAIL: PLANNING@ROCKWALL.COM

TO: Planning and Zoning Commission

DATE: January 14, 2025

APPLICANT: Tzemach Moshe Kalmenson

SUBJECT: Z2024-062; Amendment to Planned Development District 50 (PD-50)

On December 13, 2024, the applicant, Tzemach Moshe Kalmenson, submitted an application requesting that Planned Development District 50 (PD-50) be amended to incorporate an additional 0.2010-acre tract of land (*i.e. part of Block 29 of the Garner Addition*) and amend the land uses to allow the *Church/House of Worship* land use through a Specific Use Permit (SUP) in the district. According to the applicant's letter, the intent of the request -- *if approved* -- is to return to the Planning and Zoning Commission and City Council with a subsequent request for a Specific Use Permit (SUP) to allow a *Church/House of Worship* at 917 N. Goliad Street/918 N. Alamo Road. The applicant has also provided a concept plan showing how the *Church/House of Worship* would be laid out on this property; however, this concept plan is *not* being considered with this request. According to Article 13, *Definitions*, of the Unified Development Code (UDC) the definition of the *Church/House of Worship* land use is a "...facility or area primarily used for religious gatherings, ceremonies, and worship services. It typically includes a sanctuary or worship hall, administrative offices, classrooms for religious education, and often ancillary facilities such as a fellowship hall, kitchen, and parking lot. These facilities serve as places for spiritual practice, community gatherings, and religious observance for adherents of a particular faith or denomination." Planned Development District 50 (PD-50) is a highly restrictive zoning district that was originally created to allow the residential properties along N. Goliad Street [*SH-205*] the flexibility to convert to a live/work or non-residential land use permitted within the Residential-Office (RO) District. Over the years, the zoning district has been amended to add land uses that are not typically permitted within the Residential-Office (RO) District (*e.g. Antique/Collectable Sales, Banquet Facility, Animal Clinic for Small Animals, and/or General Personal Service*) on a *case-by-case* basis through a Specific Use Permit (SUP). In reviewing the applicant's request, staff acknowledges that given the scale and traffic generated by a *Church/House of Worship*, this land use may not be an appropriate land use for all properties within the district, and, that by allowing this land use through a Specific Use Permit (SUP), the Planning and Zoning Commission and City Council retain discretion to determine if a *Church/House of Worship* is an appropriate land use for a particular property in the district.

As the proposed zoning case involves incorporating additional land and modifying the land uses permitted within Planned Development District 50 (PD-50), staff has notified all property owners and residents within the Planned Development District. In addition, staff mailed out notifications to all property owners and occupants within 500-feet of the boundary of Planned Development District 50 (PD-50), and to all Homeowner's Associations (HOAs) within 1,500-feet of the boundaries of the district (*i.e. Lakeview Summit, The Preserve, and Caruth Lakes Homeowner's Associations*). This was done in accordance with the requirements of Subsection 02.03(A), *Notice of Public Hearing*, of Article 11, *Development Applications and Review Procedures*, of the Unified Development Code (UDC). Of the 382 notices mailed, staff has received four (4) notices in opposition to the applicant's request. Should the Planning and Zoning Commission have any questions, staff will be available at the meeting on January 14, 2025.

Dear Members of the Rockwall Planning & Zoning Department,

I am writing to express my concerns about the proposed place of worship at 917 & 918 N Goliad. The current streets, including North Goliad St, Live Oak, Heath St, Wildwood Terrace, Wildwood Ln, and N Alamo St, are already experiencing high traffic volumes. North Goliad Street, in particular, is already experiencing major congestion at this location. Adding a place of worship would turn these side streets into major thoroughfares, causing significant congestion, longer commute times, and safety hazards.

I urge the City of Rockwall to consider widening the streets in this area before approving the planning change to accommodate the increased traffic. This will help ensure the community can manage the traffic safely and efficiently.

Thank you for your attention to this matter.

Sincerely,

Calvin Nash

I already suffer from flooding issues in my home due to new parking lots being put in for businesses- the grass use to contain water flow - with this development I believe I would have an even harder time keeping my house from flooding. I spoke to the city when the first parking lots caused issues but was told it was my problem. More parking lots / concrete will cause more flooding than I can handle as I still already flood during heavy rains.

info@jewishrockwall.com

My name is Moishy Kalmenson and I serve as Rabbi of the local Jewish community. Together with my wife Chana, we direct Chabad of Rockwall County, a non-profit organization and house of worship for Jews across the county.

We moved just over four years ago to Rockwall. Currently, we operate out of our home. We are under contract on 917 N Goliad/918 N Alamo. Our plan for this property is to use it as our house of worship(synagogue)/community center.

Currently, the zoning for 917 N Goliad is PD 50: RO, without an allowance for house of worship. We are applying to change the zoning code to allow for a house of worship with an SUP.

A house of worship strengthens the bonds, roots, and values of a community, and enhances and deepens the quality of life for the entire community.

Our plan would be to provide ample parking on the lot (total of half acre), above the required amount for our sanctuary size. Additionally, as per Jewish law, some of our community members actually walk to synagogue, further alleviating parking concerns.

The scale of our community is small; there are only a few hundred Jews in the county. (Our religious services are geared for Jewish congregants, while classes and other activities are open to the community.) The space would be a total of 1300 sq ft, with a sanctuary space of 400 square ft. For weekly services we have 10-20 attendees. Even with projected growth over the upcoming years, this would not be adding a significant burden to the traffic on the 205.

(Additionally, our services are on Saturday, which would not coincide with any Sunday Church traffic.)

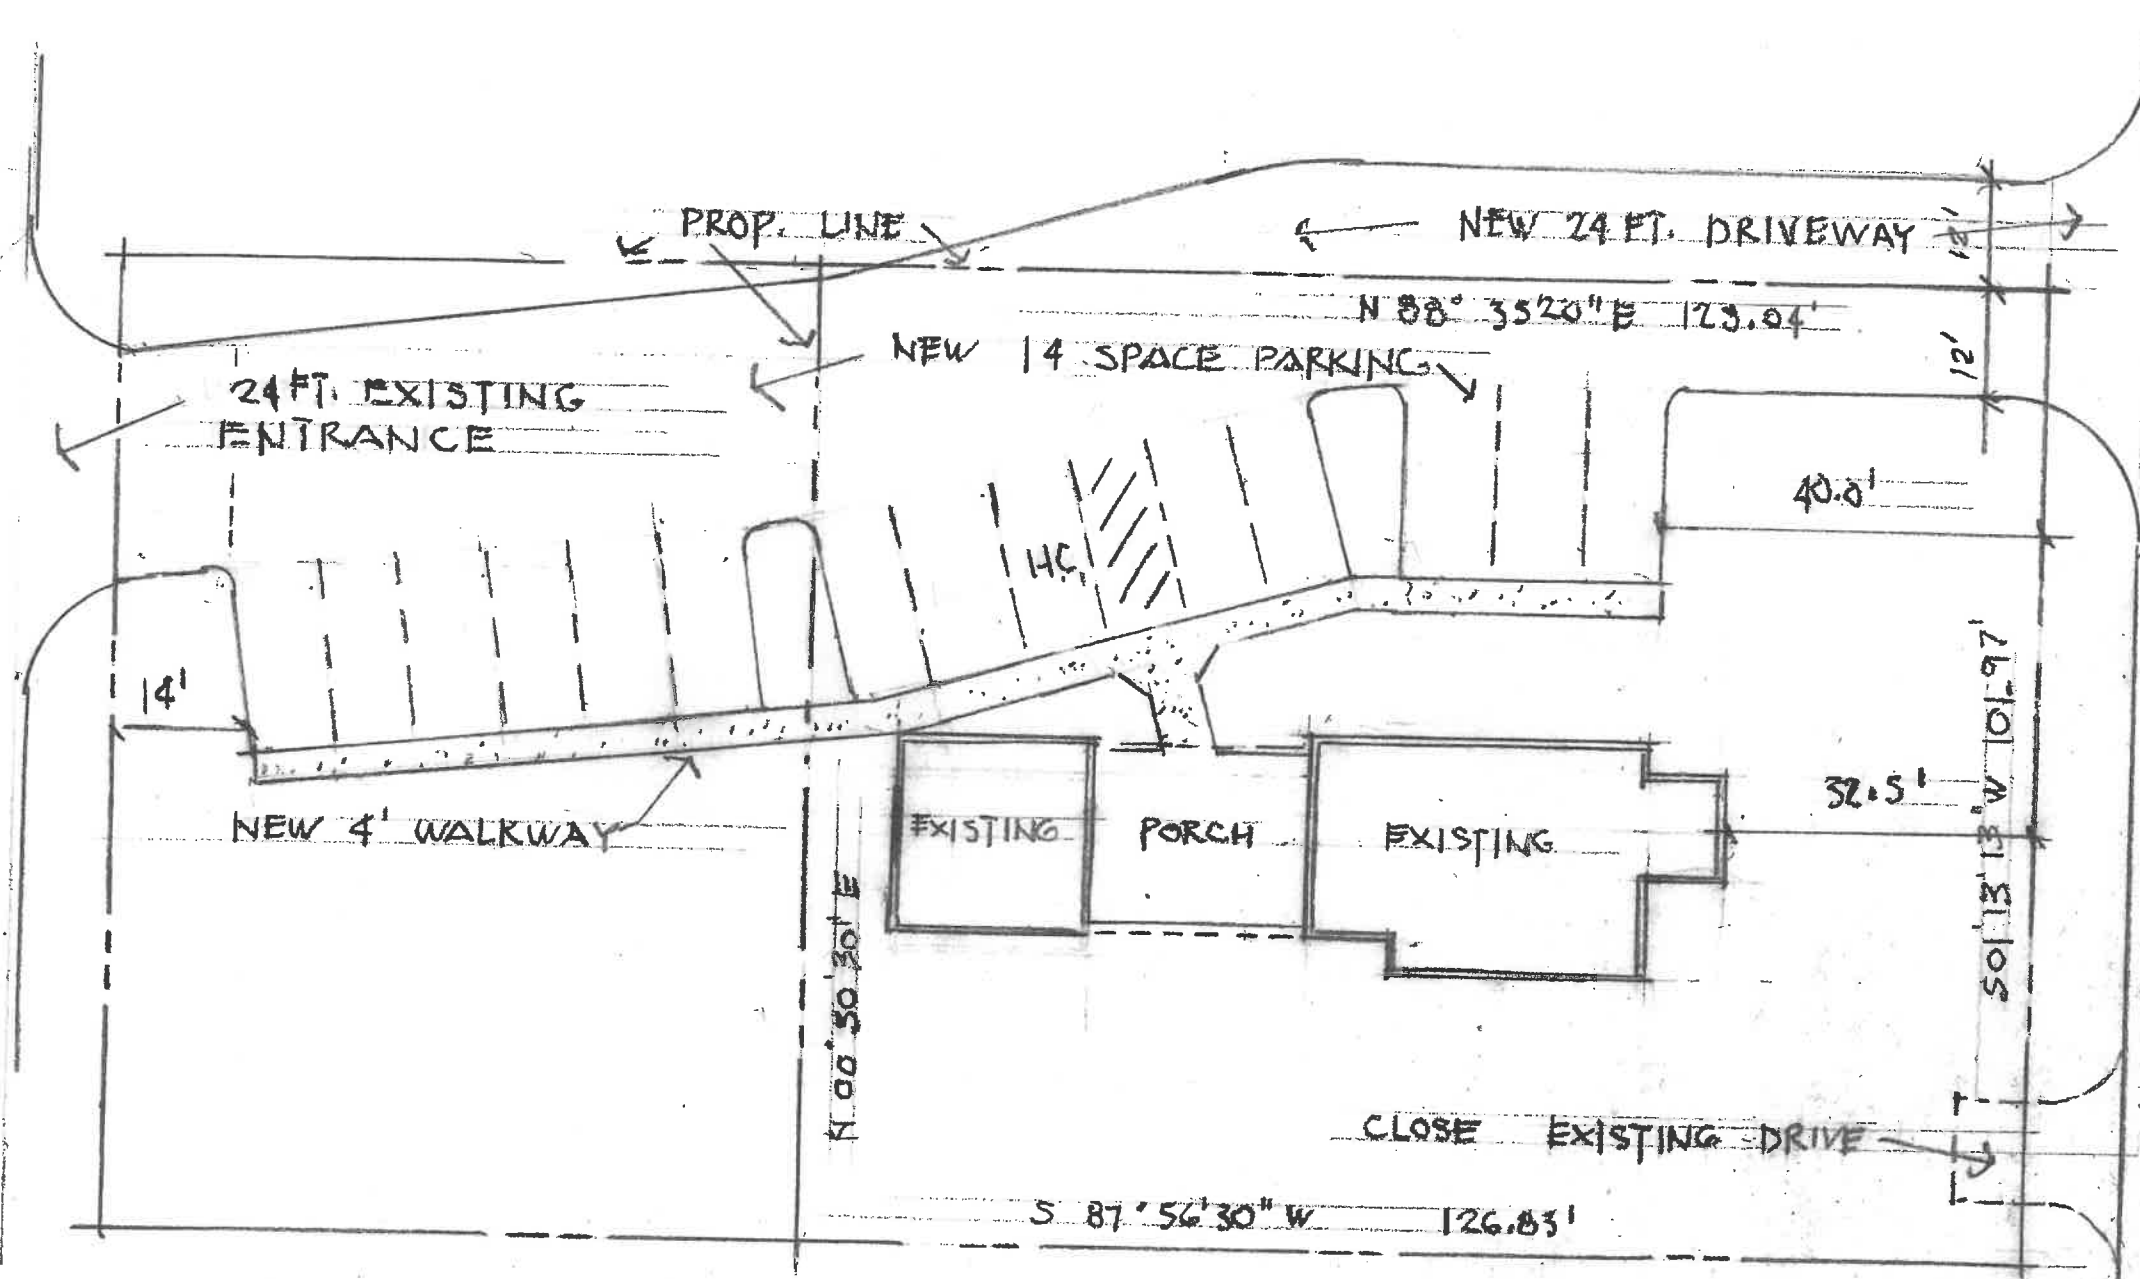

For these reasons we are asking to amend the zoning to allow a house of worship in PD50 with a SUP.

This would allow the city to ensure that in the future there won't be traffic/parking concerns, while still enabling houses of worship to serve the wonderful Rockwall community.

Thank you for your consideration!

CITY COUNCIL MEMORANDUM

PLANNING AND ZONING DEPARTMENT

385 S. GOLIAD STREET • ROCKWALL, TX 75087

PHONE: (972) 771-7745 • EMAIL: PLANNING@ROCKWALL.COM

TO: Mayor and City Council

DATE: January 21, 2025

APPLICANT: Tzemach Moshe Kalmenson

SUBJECT: Z2024-062; Amendment to Planned Development District 50 (PD-50)

On December 13, 2024, the applicant, Tzemach Moshe Kalmenson, submitted an application requesting that Planned Development District 50 (PD-50) be amended to incorporate an additional 0.2010-acre tract of land (*i.e. part of Block 29 of the Garner Addition*) and amend the land uses to allow the *Church/House of Worship* land use through a Specific Use Permit (SUP) in the district. According to the applicant's letter, the intent of the request -- *if approved* -- is to return to the Planning and Zoning Commission and City Council with a subsequent request for a Specific Use Permit (SUP) to allow a *Church/House of Worship* at 917 N. Goliad Street/918 N. Alamo Road. The applicant has also provided a concept plan showing how the *Church/House of Worship* would be laid out on this property; however, this concept plan is *not* being considered with this request. According to Article 13, *Definitions*, of the Unified Development Code (UDC) the definition of the *Church/House of Worship* land use is a "...facility or area primarily used for religious gatherings, ceremonies, and worship services. It typically includes a sanctuary or worship hall, administrative offices, classrooms for religious education, and often ancillary facilities such as a fellowship hall, kitchen, and parking lot. These facilities serve as places for spiritual practice, community gatherings, and religious observance for adherents of a particular faith or denomination." Planned Development District 50 (PD-50) is a highly restrictive zoning district that was originally created to allow the residential properties along N. Goliad Street [*SH-205*] the flexibility to convert to a live/work or non-residential land use permitted within the Residential-Office (RO) District. Over the years, the zoning district has been amended to add land uses that are not typically permitted within the Residential-Office (RO) District (*e.g. Antique/Collectable Sales, Banquet Facility, Animal Clinic for Small Animals, and/or General Personal Service*) on a *case-by-case* basis through a Specific Use Permit (SUP). In reviewing the applicant's request, staff acknowledges that given the scale and traffic generated by a *Church/House of Worship*, this land use may not be an appropriate land use for all properties within the district, and, that by allowing this land use through a Specific Use Permit (SUP), the Planning and Zoning Commission and City Council retain discretion to determine if a *Church/House of Worship* is an appropriate land use for a particular property in the district.

As the proposed zoning case involves incorporating additional land and modifying the land uses permitted within Planned Development District 50 (PD-50), staff has notified all property owners and residents within the Planned Development District. In addition, staff mailed out notifications to all property owners and occupants within 500-feet of the boundary of Planned Development District 50 (PD-50), and to all Homeowner's Associations (HOAs) within 1,500-feet of the boundaries of the district (*i.e. Lakeview Summit, The Preserve, and Caruth Lakes Homeowner's Associations*). This was done in accordance with the requirements of Subsection 02.03(A), *Notice of Public Hearing*, of Article 11, *Development Applications and Review Procedures*, of the Unified Development Code (UDC). Of the 382 notices mailed, staff has received six (6) notices in opposition to the applicant's request. On January 14, 2024, the Planning and Zoning Commission reviewed the case and approved a motion to recommend approval of the amendment to Planned Development District 50 (PD-50) by a vote of 7-0. Should the City Council have any questions, staff will be available at the meeting on January 21, 2025.

PLEASE PROVIDE ANY ADDITIONAL INFORMATION CONCERNING YOUR SUPPORT OR OPPOSITION TO THE REQUEST.

Dear Members of the Rockwall Planning & Zoning Department,

I am writing to express my concerns about the proposed place of worship at 917 & 918 N Goliad. The current streets, including North Goliad St, Live Oak, Heath St, Wildwood Terrace, Wildwood Ln, and N Alamo St, are already experiencing high traffic volumes. North Goliad Street, in particular, is already experiencing major congestion at this location. Adding a place of worship would turn these side streets into major thoroughfares, causing significant congestion, longer commute times, and safety hazards.

I urge the City of Rockwall to consider widening the streets in this area before approving the planning change to accommodate the increased traffic. This will help ensure the community can manage the traffic safely and efficiently.

Thank you for your attention to this matter.

Sincerely,

Calvin Nash

PLEASE PROVIDE ANY ADDITIONAL INFORMATION CONCERNING YOUR SUPPORT OR OPPOSITION TO THE REQUEST.

I already suffer from flooding issues in my home due to new parking lots being put in for businesses- the grass use to contain water flow - with this development I believe I would have an even harder time keeping my house from flooding. I spoke to the city when the first parking lots caused issues but was told it was my problem. More parking lots / concrete will cause more flooding than I can handle as I still already flood during heavy rains.

My name is Moishy Kalmenson and I serve as Rabbi of the local Jewish community. Together with my wife Chana, we direct Chabad of Rockwall County, a non-profit organization and house of worship for Jews across the county.

We moved just over four years ago to Rockwall. Currently, we operate out of our home. We are under contract on 917 N Goliad/918 N Alamo. Our plan for this property is to use it as our house of worship(synagogue)/community center.

Currently, the zoning for 917 N Goliad is PD 50: RO, without an allowance for house of worship. We are applying to change the zoning code to allow for a house of worship with an SUP.

A house of worship strengthens the bonds, roots, and values of a community, and enhances and deepens the quality of life for the entire community.

Our plan would be to provide ample parking on the lot (total of half acre), above the required amount for our sanctuary size. Additionally, as per Jewish law, some of our community members actually walk to synagogue, further alleviating parking concerns.

The scale of our community is small; there are only a few hundred Jews in the county. (Our religious services are geared for Jewish congregants, while classes and other activities are open to the community.) The space would be a total of 1300 sq ft, with a sanctuary space of 400 square ft. For weekly services we have 10-20 attendees. Even with projected growth over the upcoming years, this would not be adding a significant burden to the traffic on the 205.

(Additionally, our services are on Saturday, which would not coincide with any Sunday Church traffic.)

For these reasons we are asking to amend the zoning to allow a house of worship in PD50 with a SUP.

This would allow the city to ensure that in the future there won't be traffic/parking concerns, while still enabling houses of worship to serve the wonderful Rockwall community.

Thank you for your consideration!
