for the following reasons: (attach separate sheet if necessary)

There (Are) deed restrictions pertaining to the intended use of the property.

Status of Applicant: Owner _____ Tenant _____ Prospective Purchaser ✓

I have attached hereto as Exhibit "A" a plat showing the property which is the subject of this requested zoning change and have read the following note concerning the importance of my submitting to the City a sufficient legal description.

Signed Richard E. Shaudler Jr.

NOTE: The legal description is used to publish notice of the required hearing and in the preparation of the final ordinance granting the zoning change. The description must be sufficient so as to allow a qualified surveyor to take the description and locate and mark off the tract on the ground. Each applicant should protect himself by having a surveyor or his attorney approve his legal description. Failure to do so by the applicant may result in delay in passage of the final ordinance or the ordinance being declared invalid at some later date because of an insufficient legal description.

CERTIFICATE

I hereby certify that I have checked the legal description of the property described in this Application and the same describes the tract of land shown on the Plat attached hereto as Exhibit "A" and said description is sufficient to allow qualified surveyor to locate and mark off said tract on the ground.
