MINUTES OF THE ROCKWALL CITY COUNCIL
September 21, 1987

Mayor Frank Miller called the meeting to order at 7:00 P.M. with the following members present: Nell Wellborn, Ken Jones, Jean Holt, John Bullock, Bill Fox and Pat Luby.

The Council first considered approval of the Consent Agenda which consisted of: (a) the minutes of the regular meeting and Special Session September 8, 1987 (b) an ordinance regulating the temporary sale of Christmas Trees on second reading (c) an ordinance amending Ordinance 86-51 pertaining to conformance with screening requirements on second reading (d) an ordinance amending the Comprehensive Zoning Ordinance as it pertains to accessory structures in residential areas on second reading (e) an ordinance amending the Code of Ordinances to regulate parades within the City on second reading (f) an ordinance regulating wrecker operations within the City on second reading (g) an ordinance regulating mass gatherings on second reading (h) a resolution commending Fran Bagley for community involvement, and (i) a resolution commending Barbara Hill for community involvement. Assistant City Manager Julie Couch read the ordinance captions. Welborn pulled the minutes of September 8. Holt pulled items H and I. Bullock made a motion to approve the Consent Agenda minus these items. Jones seconded the motion. The same was voted on and carried unanimously.

Welborn pointed out a verbal correction in the minutes. She made a motion to approve the minutes with the correction. Bullock seconded the motion. The motion was voted on and passed unanimously. Holt requested items H and I be read in their entirety. Couch read both resolutions aloud. Jones made a motion to approve both resolutions. Holt seconded the motion. The motion was voted on and passed unanimously. Miller presented framed resolutions to Ms. Bagley and Ms. Hill and thanked them for their contributions toward a better community.

Don Smith gave the Planning & Zoning Chairman's report in which he discussed items on the agenda which had been considered by the Commission and he outlined the Commission's recommendation on each.

Randy Taggart at 403 E. Boydston addressed the Council to request a 30 day extension regarding enforcement of special restrictions in the revised animal control ordinance pertaining to Pit Bull dogs. He asked Council to consider amending the ordinance to enforce the same requirements for pit bulls on other potentially dangerous dog breeds. Council discussed the insurance requirement, the severity of injuries inflicted by

pit bulls as opposed to other breeds, and the number of identified pit bulls within the City limits. Police Chief Bruce Beaty told Council that within the last six months, the last five dog bite fatalities had been inflicted by pit bulls. He added that 8% of all dog related fatalities were by pit bulls, a breed that represents only 2% of the dog population in the U.S. Frank Faus told Council that pit bulls had gained notoriety through irresponsible owners. He asked Council to regulate vicious dogs as done in Farmers Branch without singling out one breed. Welborn made a motion to postpone implementation of specific requirements for pit bulls until November 1 pending further study of the ordinance regarding the inclusion of other vicious breeds. Jones seconded the motion. Bullock offered an amendment to the motion to include in the study, a review of the Farmers Branch ordinance. Miller seconded the motion. The amendment was voted on and passed unanimously. The motion as amended passed 6 to 1 with Luby voting against the motion.

Virginia Peddie of 106 Joe White told Council that the ordinance was discriminatory. She complained of ill treatment upon receipt of a notice of violation to the ordinance. Welborn stated that Chief Beaty had probably reviewed the circumstances and that conduct of personnel should be discussed in Executive Session. John Peddie expressed displeasure regarding the incident and stated that he didn't think the number of dogs a person owned should be governed by ordinance.

Ray Helm addressed Council to discuss procedures for determining appraisal values, particularly agricultural properties. He outlined guidelines of the State for determining agricultural exemptions, provided a survey of other cities' total appraised values compared to amounts of agricultural exemptions, and discussed the appeal process for persons denied an agricultural exemption. Council discussed with Helm the amount of exemptions in Rockwall, percentages of increased value assigned by the State, and a State requirement that tied an agricultural exemption to the use of the land and not the percentages of income received from the land. Hal Davenport, a member of the Appraisal District Board of Directors, stated that the same concerns expressed by the Council were problems that existed all over the State.

Bob Dransfield then addressed Council to discuss self-insurance. He explained some advantages of self-insurance, discussed re-insurance and pointed out the need for actuarial studies due to a lack of accumulated research on history of claims.

Council then considered approval of an agreement with the Wyatt Company for actuarial services. Welborn made a motion to approve the agreement. Bullock seconded the motion. Council briefly discussed insurance bids that would be advertised in January. The motion was voted on and passed unanimously.

Council then held a public hearing and considered approval of an ordinance authorizing a change in zoning from "SF-10" Single Family to "GR" General Retail on a portion of a lot located at 106 Ross Avenue. Eloise Cullum told Council that the existing building was being renovated in an attempt to upgrade the area. She stated that she did intend to curb and gutter. Jones made a motion to approve the request and the ordinance on first reading. Holt seconded the motion. The motion was voted on and passed unanimously.

Council then held a public hearing and considered approval of an ordinance authorizing a conditional use permit for a church site located at SH-205 and Damascus Rd. Couch explained that the church existed when the Zoning Ordinance was adopted requiring a CUP for church facilities in residential areas. The First Methodist Church was now required to obtain a CUP prior to expansion. Richard Slaughter told Council that the church proposed to add a music room, classrooms and a fellowship hall. Couch read the ordinance caption, Bullock made a motion to approve the ordinance. Luby seconded the motion. The motion was voted on and passed unanimously.

Council then held a public hearing and considered approval of a temporary change in zoning from "C" Commercial to "PD" Planned Development with auto repair, retail and office uses. Couch explained that the applicant had leased the property thinking auto repair was an allowed use. The only other appropriate zoning category would be heavy commercial. Couch pointed out that the Land Use Plan recommended heavy commercial to be located away from the interstate, and the applicant had therefore requested PD zoning for 2 years, allowing time to relocate. She explained the recommendations of the Planning and Zoning Commission, outlined the site plan and discussed proposed improvements. Diane Payne explained that the location was temporary as she preferred another location and the owner intended to use the property for auto sales in the future. Council discussed prohibiting outside storage, paint and body, and construction of additional buildings. After additional discussion, Fox made a motion to approve the site plan and an ordinance authorizing a change in zoning subject to (1) no outside storage (2) no paint and body (3) no additional construction (4) review of zoning by the Commission in six months for compliance with parking, landscaping, and outside storage requirements, and (5) all the recommendations of the Commission which were to change

the zoning back to Commercial in 2 years or when the company changes in name, ownership or organization if said changes take place prior to two years, requiring all improvements to be completed within 60 days of issuance of a certificate of occupancy, waiving irrigation requirements and allowing a gravel drive. Bullock seconded the motion. The motion was voted on and passed unanimously. Fox then made a motion to approve a final plat for Newman Center No. 1. Bullock seconded the motion. The motion was voted on and passed unanimously.

Council then considered approval of a final plat for the Barz Acre, a .917 acre tract of land located at 222 Quail Run Road. Couch outlined circumstances surrounding the issuance of a building permit to build a house on an unplatted lot, explained that the applicant would need to dedicate 25 feet of right-of-way and that the Commission had recommended a waiver of escrow requirements estimated at \$4600. Fox confirmed that when sewer became available the applicant would be required to tie on. Welborn made a motion to approve the final plat requiring dedication of 25 feet of right-of-way and waiving street escrow requirements. Bullock seconded the motion. The motion was voted on and passed unanimously.

James Flinchum, 609 Sunset Hill, addressed Council to discuss a proposed ordinance requiring notification when certain construction takes place in residential areas. Flinchum told Council of an incident where construction in an easement left a deep ditch less than two feet from his residence. He urged Council to require two weeks notice, a contact, a temporary fence and a clear definition of who assumed liability. City Attorney Pete Eckert stated that City requirements regarding direction of screening would result in the City assuming liability. The Council discussed requiring the contractors to return the property to its original condition as opposed to "good maintainable" condition as stated in the proposed ordinance. Director of Public Works Ed Heath pointed out that residents sometimes planted shrubbery, built fences or poured concrete over an easement. Eisen suggested staff review the ordinance and develop another recommendation addressing these items. Holt made a motion to table the ordinance. Jones seconded the motion. The motion was voted on and passed unanimously.

Council then continued a public hearing and considered approval of a change in zoning from "SF-10" Single Family to "PD" Planned Development on 97 acres located North of Alamo. Harold Evans presented a site plan and outlined changes made in the plan based on Council direction indicated at the Worksession. Sanders Thompson asked Council to allow a minimum of 262 lots and a maximum of 275. Council discussed the number of lots

under 8000 square feet, the location of 10,000 square feet and the proposed park land. Eckert reminded Council that by ordinance PD's were reviewed every two years. Couch outlined recommendations of the Commission including (1) a minimum 7000 square foot lot size and 2F-7 area requirements (2) a minimum 1500 square foot dwelling (3) dedication of park land prior to platting (4) completion of a traffic analysis prior to platting (5) determination of the final alignment of North Lakeshore Drive prior to platting and (6) providing a phasing plan prior to development if development is planned in stages. Holt made a motion to approve the zone change including all the previously listed conditions, allowing a minimum of 262 lots with percentages of lot sizes generally as submitted, and providing that 50% of all lots in excess of 262 will be over 8000 square feet. Jones seconded the motion. The motion was voted on and passed unanimously.

Council then considered approval of an ordinance amending the Comprehensive Zoning Ordinance to add a Scenic Overlay District to the list of zoning categories. Couch outlined changes in the ordinance made resulting from direction received in the Worksession. Welborn made a motion to approve the ordinance. Fox seconded the motion. The motion was voted on and passed unanimously.

Council then considered approval of an amendment to the Sign Ordinance to provide special restrictions for signs within the Scenic Overlay District. Couch outlined the requirements in the ordinance and read the ordinance caption. Jones made a motion to approve the ordinance. Fox seconded the motion. The motion was voted on and passed unanimously.

Council then considered approval of (1) an ordinance setting the 1987 tax rate at .3400 per \$100.00 valuation, levying taxes and continuing the over 65 homestead exemption (2) an ordinance adopting the 1987-1988 operating budget (3) a resolution approving the 1987-88 revenue sharing budget (4) an ordinance approving the amended 1986-87 operating budget and (5) a resolution approving water and sewer rates for 1987-88 fiscal year. Welborn made a motion to approve all five items. Fox seconded the motion. The motion was voted on and passed unanimously.

Council then considered approval of an agreement with the City of Heath for Animal Control. Eisen explained that Rockwall would provide emergency animal control service to Heath as outlined in the agreement. Council discussed the charges for service and impound fees. Jones made a motion to approve the agreement. Luby seconded the motion. The motion was voted on and passed unanimously.

Council then considered appointing auditors to conduct the 1986-87 annual audit. Eisen addressed some concerns Council had regarding contracting Arthur Andersen for another year. Director of Finance Michael Phemister stated that a specific time table would be adhered to and the books would be closed making the audit easier to conduct than in previous years. Fox made a motion to appoint Arthur Andersen to conduct the audit. Bullock seconded the motion. The motion was voted on and passed unanimously.

Council then considered approval of a resolution appointing Michael Phemister to the Rockwall Property Finance Authority Board of Directors. Fox made a motion to approve the resolution. Holt seconded the motion. The motion was voted on and passed unanimously.

Council then adjourned into Executive Session to discuss personnel regarding appointments to the Airport Planning Committee. Upon reconvening into regular session, the following people were appointed: John Bullock, Ken Jones, Lyn Broyles, James Flinchum, Keith Barrett and Bobby Holt. Broyles, Flinchum, and Barrett were appointed pending acceptance of the positions and Holt was appointed pending acceptance and confirmation that the Charter allowed the appointment.

As there were no further items to come before the Council for consideration, the meeting was adjourned at 12:45 A.M.
