This letter is in regard to the zoning change request on my property off on Olive St in the downtown area of Rockwall. This property is surrounded by commercial properties including shops, restaurants and offices to the West and South. I would like to build offices on this land. I would like to build them in the historic, bungalow/frame style, which would compliment the area well. There are many examples of these type of offices throughout downtown and the North Goliad corridor. I live on property connected to this land, so it is important for me to protect the area which I care about very much. I spent six years on the Rockwall Historic Preservation Advisory Board protecting our downtown area. I believe offices on this property help protect the area from any type of high density type development which could ruin the historic integrity of my neighborhood.

Thank you for your consideration.

This letter is in regard to the zoning change request on my property off on Olive St in the downtown area of Rockwall. This property is surrounded by commercial properties including shops, restaurants and offices to the West and South. I would like to build offices on this land. I would like to build them in the historic, bungalow/frame style, which would compliment the area well. There are many examples of these type of offices throughout downtown and the North Goliad corridor. I live on property connected to this land, so it is important for me to protect the area which I care about very much. I spent six years on the Rockwall Historic Preservation Advisory Board protecting our downtown area. I believe offices on this property help protect the area from any type of high density type development which could ruin the historic integrity of my neighborhood.

Thank you for your consideration.

02/21/2025: Z2025-010; Amendment to Planned Development District 50 (PD-50)

Please address the following comments (M= Mandatory Comments; I = Informational Comments)

I.1 This is a request for the approval of a Zoning Change amending Planned Development District 50 (PD-50) [Ordinance No. 25-07] to incorporate an additional 3.03-acre parcel of land within the district being a 24.497-acre tract of land situated within the S. S. McCurry Survey, Abstract No. 146 and B. F. Boydston Survey, Abstract No. 14, City of Rockwall, Rockwall County, Texas, zoned: [1] Planned Development District 50 (PD-50) for Residential-Office (RO) District land uses, [2] Single-Family 7 (SF-7) District, and [3] Downtown (DT) District, situated within the North Goliad Corridor Overlay (NGC OV) District and the Old Town Rockwall (OTR) Historic District, and generally located along N. Goliad Street [SH-205], north of Olive Street and south of Live Oak Street.

I.2 For questions or comments concerning this case please contact Ryan Miller in the Planning Department at (972) 772-6441 or email rcmiller@rockwall.com.

M.3 For reference, include the case number (Z2025-010) in the lower right-hand corner of all pages on future submittals.

I.4 Future Land Use Map. According to the OURHometown Vision 2040 Comprehensive Plan the subject property is located within the Downtown District, and according to the Future Land Use Map contained within this document the subject property is designated for Low Density Residential (LDR) and Downtown (DT) land uses. The requested zoning change would require the subject property to be reclassified to a Live/Work (LW) land use designation. Based on this, the proposed zoning request does not conform to the Future Land Use Map; HOWEVER, the requested zoning change may have merit based on the following: [1] the land uses directly west of the subject property are currently designated for Live/Work (LW) land uses and the change would be consistent with this designation, [2] the dual designation (i.e. the LDR and DT designations) of the subject property is not aligned with how the property was platted (in addition this parcel may not be conducive for a single-family home), and [3] the subject property is located within the Old Town Rockwall (OTR) Historic District which will require additional oversight from the Historic Preservation Advisory Board (HPAB). Regardless of these merits, this request will be discretionary to the City Council pending a recommendation from the Planning and Zoning Commission.

I.5 Please note that prior to submitting a site plan for any portion of the subject property, the Historic Preservation Advisory Board (HPAB) will be required to approve a Certificate of Appropriateness (COA).

M.6 Please review the attached draft ordinance prior to the February 25, 2025 Planning & Zoning Commission Work Session Meeting, and provide staff with your markups by March

4, 2025. Please carefully read through this document as staff has incorporated changes from what was originally submitted.

I.7 Staff has identified the aforementioned items necessary to continue the submittal process. Please make these revisions and corrections, and provide any additional information that is requested. Revisions for this case will be due on March 4, 2025; however, it is encouraged for applicants to submit revisions as soon as possible to give staff ample time to review the case prior to the March 11, 2025 Planning and Zoning Commission Public Hearing Meeting.

I.8 The projected City Council meeting dates for this case will be March 17, 2025 (1st Reading) and April 7, 2025 (2nd Reading).

I.9 Please note that the applicant, owner, or a representative of these parties will be required to be at all scheduled meetings. Failure to come to a meeting could lead to the case being tabled or denied.

This letter is in regard to the zoning change request on my property off on Olive St in the downtown area of Rockwall. This property is surrounded by commercial properties including shops, restaurants and offices to the West and South. I would like to build offices on this land. I would like to build them in the historic, bungalow/frame style, which would compliment the area well. There are many examples of these type of offices throughout downtown and the North Goliad corridor. I live on property connected to this land, so it is important for me to protect the area which I care about very much. I spent six years on the Rockwall Historic Preservation Advisory Board protecting our downtown area. I believe offices on this property help protect the area from any type of high density type development which could ruin the historic integrity of my neighborhood.

Thank you for your consideration.

PLANNING AND ZONING COMMISSION MEMORANDUM

PLANNING AND ZONING DEPARTMENT

385 S. GOLIAD STREET • ROCKWALL, TX 75087

PHONE: (972) 771-7745 • EMAIL: PLANNING@ROCKWALL.COM

TO: Planning and Zoning Commission

DATE: March 11, 2025

APPLICANT: Price Pointer, TCB Construction

SUBJECT: Z2025-010; Amendment to Planned Development District 50 (PD-50)

On February 14, 2025, the applicant -- *Price Pointer* -- submitted an application requesting to amend Planned Development District 50 (PD-50) to incorporate a 1.65-acre parcel of land (*i.e. Lot 1, Block A, Olive-Fannin Addition*) into the boundaries of the Planned Development District. The 1.65-acre parcel of land is currently zoned Downtown (DT) District and Single-Family 7 (SF-7) District, is situated within the Old Town Rockwall (OTR) Historic District, and is addressed as 201 Olive Street (*see Figure 1*). According to a letter provided by the property owner -- *Jay Odom* --, the purpose of the request is to build residentially scaled office buildings that will have a historic look, and that can blend with the adjacent residential properties in the Historic District.

According to the OURHometown Vision 2040 Comprehensive Plan the subject property is located within the Downtown District, and according to the *Future Land Use Map* contained within this document the subject property is designated for Medium Density Residential (MDR) and Downtown (DT) land uses. The Downtown District is described as "...the cultural heart of the community and embodies the small town atmosphere that is characteristic of the City of Rockwall." This section goes on to describe Planned Development District 50 (PD-50) as being "... a unique Live/Work corridor that supports a range of small boutiques (*with a SUP*) and offices, and represents a successful adaptive reuse effort by the City." The requested zoning change would require the subject property to be reclassified from a Medium Density Residential (MDR) and Downtown (DT) land use designation to a Live/Work (LW) land use designation, which is defined by the Comprehensive Plan as an area that is "... considered to be transitional and require[s] added flexibility for the purpose of maintaining a specific small town aesthetic along major roadways. These areas are used to buffer residential areas from major roadways or more intense commercial land uses ..." Based on the requested changes to the *Future Land Use Map*, the applicant's request does not conform to the *Land Use Plan* contained within the OURHometown Vision 2040 Comprehensive Plan; however, the requested zoning change may have merit based on the following: [1] the land uses directly west of the subject property are currently designated for Live/Work (LW) land uses and the change would be consistent with this designation; [2] the dual designation (*i.e. MDR and DT designations*) on the *Future Land Use Plan* and the current zoning designation (*i.e. DT and SF-7*) of the subject property are not aligned with how the property was platted (*in addition this parcel may not be conducive for a single-family home based on its current configuration*); and, [3] the subject property is located within the Old Town Rockwall (OTR) Historic District, which will require additional oversight from the Historic Preservation Advisory Board (HPAB). In addition, staff should point out that the Residential-Office (RO) District -- *which is the base zoning district for Planned Development District 50 (PD-50)* -- is considered to be the most restrictive non-residential zoning classification due to it only allowing a small subset of non-residential land uses. These uses are mostly restricted to office land uses; however, the Planned Development District does have some allowances for retail, restaurant, and banquet facility land uses through a Specific Use Permit (SUP). With all this being said, the fact that this is a request for a zoning change makes this a discretionary decision for the City Council pending a recommendation from the Planning and Zoning Commission. The proposed change to the *Future Land Use Plan* can be considered a condition of approval of this case.

Since the proposed case involves modifying the boundaries of Planned Development District 50 (PD-50), staff has notified all property owners and residents within the Planned Development District. In addition, staff mailed out notifications to all property owners and occupants within 500-feet of the boundary of Planned Development District 50 (PD-50) and the 1.65-acre subject property, and to all Homeowner's Associations (HOAs) within 1,500-feet of the boundaries of the zoning change (*i.e. Lakeview Summit, the Preserve, and the Caruth Lakes Homeowner's Associations*). This was done in accordance with the requirements of Subsection 02.03(A), *Notice of Public Hearing*, of Article 11, *Development Application and Review Procedures*, of the Unified Development Code (UDC). Of the 375 property owner notices staff mailed on February 24, 2025, staff has received two (2) responses in favor and one (1) response in opposition to the applicant's request. Should the Planning and Zoning Commission have any questions, staff will be available at the March 11, 2025 Planning and Zoning Commission meeting.

Subject: Fwd: J Odom Zoning Request

Dear Ryan,

I am writing in support of Jay Odom's Zoning Request change to Residential Office for his 1.6 acres of property located between N. Goliad and N. Fannin Streets, and north of Olive St. Case # Z 2025-010.

Since the property abuts Bin 303, a commercial business, and also the houses facing N. Goliad Streets that are currently zoned Residential Office, I believe that Residential Office Zoning is a natural zoning change for this property also.

I have seen the transformation of the many properties Jay has owned and renovated in Old Town. I have all the confidence in the world that this project will blend in with the surroundings of our Downtown and Old Town, while being a charming asset to the area.

Sincerely,

Carol Crow

Jay Odom

Rockwall, TX 75087

This letter is in regard to the zoning change request on my property off on Olive St in the downtown area of Rockwall. This property is surrounded by commercial properties including shops, restaurants and offices to the West and South. I would like to build offices on this land. I would like to build them in the historic, bungalow/frame style, which would compliment the area well. There are many examples of these type of offices throughout downtown and the North Goliad corridor. I live on property connected to this land, so it is important for me to protect the area which I care about very much. I spent six years on the Rockwall Historic Preservation Advisory Board protecting our downtown area. I believe offices on this property help protect the area from any type of high density type development which could ruin the historic integrity of my neighborhood.

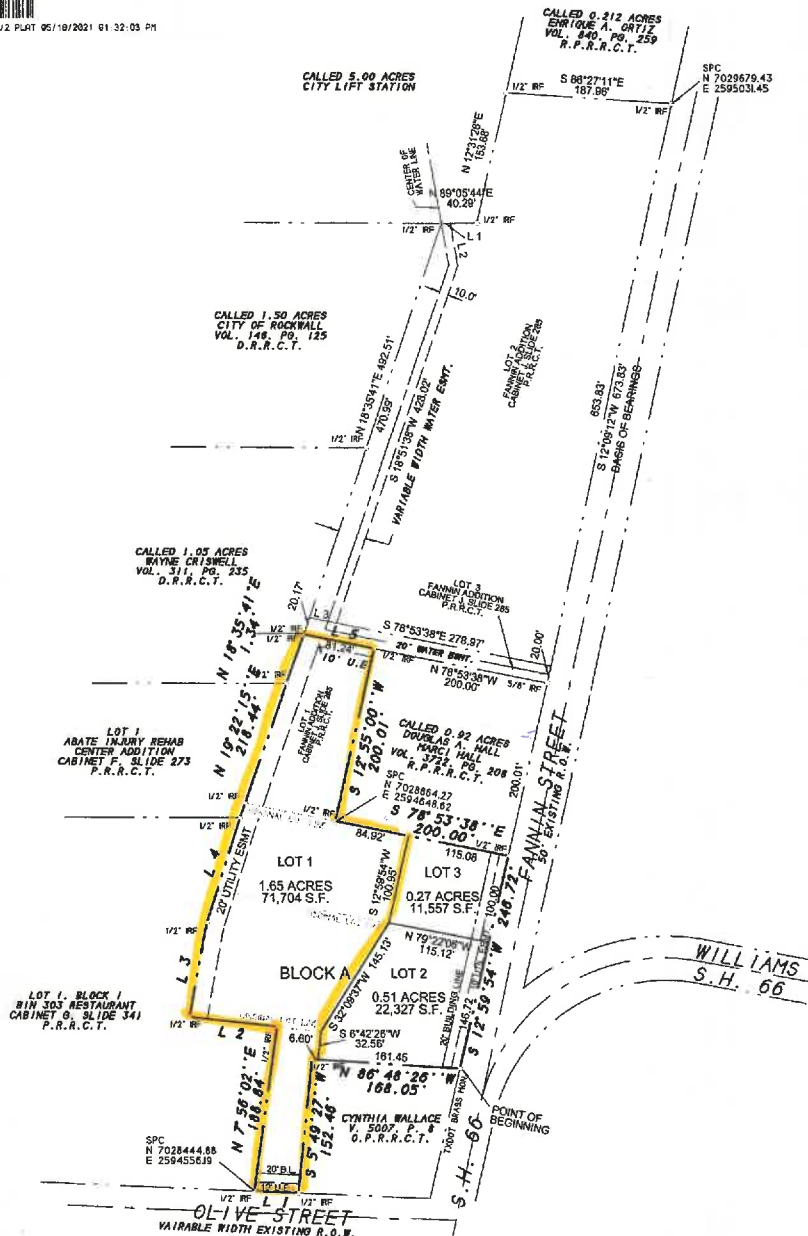

Thank you for your consideration.

Jay Odom

1. No buildings shall be constructed or placed upon, over, or across the utility easements as described herein.
2. Any public utility shall have the right to remove and keep removed all or part of any buildings, fences, trees, shrubs, or other growths or improvements which in any way endanger or interfere with construction, maintenance or efficiency of its respective system on any of these easement strips; and any public utility shall at all times have the right of ingress or egress to, from and upon the said easement strips for purposes of construction, reconstruction, inspecting, patrolling, maintenance, and either adding to or removing all or part of their respective system without the necessity of, at any time, procuring the permission of anyone.
3. The City of Rockwall will not be responsible for any claims of any nature resulting from or occasioned by the establishment of grade of streets in the subdivision.
4. The developer and subdivision engineer shall bear total responsibility for storm drain improvements.

6. No house dwelling unit, or other structure shall be constructed on any lot in this addition by the owner or any other person until the developer and/or owner has complied with all requirements of the Subdivision Regulations of the City of Rockwall regarding improvements with respect to the entire block on the street or streets on which property abuts, including the actual installation of streets with the required base and paving, curb and gutter, water and sewer, drainage structures, storm structures, storm sewers, and alleys, all according to the specifications of the City of Rockwall; or

Until an escrow deposit, sufficient to pay for the cost of such improvements, as determined by the city's engineer and/or city administrator, computed on a private commercial rate basis, has been made with the city secretary, accompanied by an agreement signed by the developer and/or owner, authorizing the city to make such improvements at prevailing private commercial rates, or have the same made by a contractor and pay for the same out of the escrow deposit; should the developer or owner fail or refuse to install the required improvements within the time stated in such written agreement, but in no case shall the City be obligated to make such improvements itself. Such deposit may be used by the owner and/or developer as a progress payment as the work progresses in making such improvements by making certified requisitions to the city secretary, supported by evidence of work done; or

Until the developer and/or owner files a corporate surety bond with the city secretary in a sum equal to the cost of such improvements for the designated area, guaranteeing the installation thereof within the time stated in the bond, which time shall be fixed by the city council of the City of Rockwall.

I further acknowledge that the dedications and/or exactions made herein are proportional to the impact of the subdivision upon the public services required in order that the development will comport with the present and future growth needs of the City; I, my successors and assigns hereby waive any claim, damage, or cause of action that I may have as a result of the dedication of exaction made herein.

CITY COUNCIL MEMORANDUM

PLANNING AND ZONING DEPARTMENT

385 S. GOLIAD STREET • ROCKWALL, TX 75087

PHONE: (972) 771-7745 • EMAIL: PLANNING@ROCKWALL.COM

TO: Mayor and City Council

DATE: March 17, 2025

APPLICANT: Price Pointer, TCB Construction

SUBJECT: Z2025-010; Amendment to Planned Development District 50 (PD-50)

On February 14, 2025, the applicant -- *Price Pointer* -- submitted an application requesting to amend Planned Development District 50 (PD-50) to incorporate a 1.65-acre parcel of land (*i.e. Lot 1, Block A, Olive-Fannin Addition*) into the boundaries of the Planned Development District. The 1.65-acre parcel of land is currently zoned Downtown (DT) District and Single-Family 7 (SF-7) District, is situated within the Old Town Rockwall (OTR) Historic District, and is addressed as 201 Olive Street (*see Figure 1*). According to a letter provided by the property owner -- *Jay Odom* --, the purpose of the request is to build residentially scaled office buildings that will have a historic look, and that can blend with the adjacent residential properties in the Historic District.

According to the OURHometown Vision 2040 Comprehensive Plan the subject property is located within the Downtown District, and according to the *Future Land Use Map* contained within this document the subject property is designated for Medium Density Residential (MDR) and Downtown (DT) land uses. The Downtown District is described as "...the cultural heart of the community and embodies the small town atmosphere that is characteristic of the City of Rockwall." This section goes on to describe Planned Development District 50 (PD-50) as being "... a unique Live/Work corridor that supports a range of small boutiques (*with a SUP*) and offices, and represents a successful adaptive reuse effort by the City." The requested zoning change would require the subject property to be reclassified from a Medium Density Residential (MDR) and Downtown (DT) land use designation to a Live/Work (LW) land use designation, which is defined by the Comprehensive Plan as an area that is "... considered to be transitional and require[s] added flexibility for the purpose of maintaining a specific small town aesthetic along major roadways. These areas are used to buffer residential areas from major roadways or more intense commercial land uses ..." Based on the requested changes to the *Future Land Use Map*, the applicant's request does not conform to the *Land Use Plan* contained within the OURHometown Vision 2040 Comprehensive Plan; however, the requested zoning change may have merit based on the following: [1] the land uses directly west of the subject property are currently designated for Live/Work (LW) land uses and the change would be consistent with this designation; [2] the dual designation (*i.e. MDR and DT designations*) on the *Future Land Use Plan* and the current zoning designation (*i.e. DT and SF-7*) of the subject property are not aligned with how the property was platted (*in addition this parcel may not be conducive for a single-family home based on its current configuration*); and, [3] the subject property is located within the Old Town Rockwall (OTR) Historic District, which will require additional oversight from the Historic Preservation Advisory Board (HPAB). In addition, staff should point out that the Residential-Office (RO) District -- *which is the base zoning district for Planned Development District 50 (PD-50)* -- is considered to be the most restrictive non-residential zoning classification due to it only allowing a small subset of non-residential land uses. These uses are mostly restricted to office land uses; however, the Planned Development District does have some allowances for retail, restaurant, and banquet facility land uses through a Specific Use Permit (SUP). With all this being said, the fact that this is a request for a zoning change makes this a discretionary decision for the City Council pending a recommendation from the Planning and Zoning Commission. The proposed change to the *Future Land Use Plan* can be considered a condition of approval of this case. On March 11, 2025, the Planning and Zoning Commission approved a motion to recommend approval of the zoning case by a vote of 6-0, with Commissioner Odom recusing himself from the case.

Since the proposed case involves modifying the boundaries of Planned Development District 50 (PD-50), staff has notified all property owners and residents within the Planned Development District. In addition, staff mailed out notifications to all property owners and occupants within 500-feet of the boundary of Planned Development District 50 (PD-50) and the 1.65-acre subject property, and to all Homeowner's Associations (HOAs) within 1,500-feet of the boundaries of the zoning change (*i.e. Lakeview Summit, the Preserve, and the Caruth Lakes Homeowner's Associations*). This was done in accordance with the requirements of Subsection 02.03(A), *Notice of Public Hearing*, of Article 11, *Development Application and Review Procedures*, of the Unified Development Code (UDC). Of the 375 property owner notices staff mailed on February 24, 2025, staff has received [1] two (2) responses in favor and two (2) responses in opposition to the applicant's request inside the buffer, and [2] and two (2) responses

in favor of the applicant's request outside the buffer. Should the City Council have any questions, staff will be available at the March 17, 2025 City Council meeting.

Dear Ryan,

I am writing in support of Jay Odom's Zoning Request change to Residential Office for his 1.6 acres of property located between N. Goliad and N. Fannin Streets, and north of Olive St. Case # Z 2025-010.

Since the property abuts Bin 303, a commercial business, and also the houses facing N. Goliad Streets that are currently zoned Residential Office, I believe that Residential Office Zoning is a natural zoning change for this property also.

I have seen the transformation of the many properties Jay has owned and renovated in Old Town. I have all the confidence in the world that this project will blend in with the surroundings of our Downtown and Old Town, while being a charming asset to the area.

Sincerely,

Carol Crow

Date: Friday, March 7, 2025 1:11:19 PM

Hello,

I am writing to show my support for this property to be rezoned as PD50. I feel it is the best and least impactful zoning for this land. It makes sense to extend the adjacent PD50 and will have the least impact on the area. I think a few architecturally appropriate offices is a much better choice than several rent houses, as it could certainly end up being. The DT zoning on a part of this land up for rezoning could be even more of a negative impact on the area, and that is already zoned DT. I am located at 105 W Kaufman St, downtown, and am within 500 feet of the property in question.

Thank you and please contact me with any questions.

Dear Planning Department:

Our residence is at 503 N Fannin St, Rockwall Historic District. We are opposed to the request from AG to GR zoning change behind our home. We would like to speak to the Planning and Zoning Commission at the public hearing on Tuesday, March 11, 2025 at 6:00 pm. It is our understanding that the property in question would change from residential to PD-50 if approved. Of the 3 properties adjacent to this parcel, our home would be impacted the most.

Thank you,

This letter is in regard to the zoning change request on my property off on Olive St in the downtown area of Rockwall. This property is surrounded by commercial properties including shops, restaurants and offices to the West and South. I would like to build offices on this land. I would like to build them in the historic, bungalow/frame style, which would compliment the area well. There are many examples of these type of offices throughout downtown and the North Goliad corridor. I live on property connected to this land, so it is important for me to protect the area which I care about very much. I spent six years on the Rockwall Historic Preservation Advisory Board protecting our downtown area. I believe offices on this property help protect the area from any type of high density type development which could ruin the historic integrity of my neighborhood.

Thank you for your consideration.
