HISTORIC PRESERVATION ADVISORY BOARD CASE MEMO

PLANNING AND ZONING DEPARTMENT

385 S. GOLIAD STREET • ROCKWALL, TX 75087

PHONE: (972) 771-7745 • EMAIL: PLANNING@ROCKWALL.COM

TO: Historic Preservation Advisory Board
DATE: June 16, 2022
APPLICANT: Mark and Veronica Combs
CASE NUMBER: H2022-012; *Certificate of Appropriateness (COA) for 401 S. Clark Street*

SUMMARY

Hold a public hearing to discuss and consider a request by Mark and Veronica Combs for the approval of a Certificate of Appropriateness (COA) for the demolition of existing accessory buildings, the construction of a guest quarters/detached garage, and expanding the driveway on a *Low Contributing Property* being a 0.7379-acre parcel of land identified as Block 105A-1, B. F. Boydston Addition, City of Rockwall, Rockwall County, Texas, zoned Single-Family 7 (SF-7) District, situated within the Old Town Rockwall (OTR) Historic District, addressed as 401 S. Clark Street, and take any action necessary.

BACKGROUND

The 2,080 SF single-family home situated on the subject property at 401 S. Clark Street was constructed in 1873 in the *National Folk* architectural style according to the *2017 Historic Resource Survey*. According to the Rockwall Central Appraisal District (RCAD) there is also a 192 SF detached garage constructed in 1990, a 150 SF storage building constructed in 2008, a 280 SF storage building constructed in 2009, and a 100 SF pergola constructed in 2009. The single-family home is classified as *Low Contributing Property* and is situated within the Old Town Rockwall (OTR) Historic District. A property is assigned the *Low Contributing* classification is defined as having most, but not all, of the historical character and integrity being lost through alterations to the home. The subject property was annexed prior to 1934 based on the April 1934 Sanborn Maps. According to the January 3, 1972 zoning map the subject property was zoned Single-Family 3 (SF-3) District. At some point between January 3, 1972 and May 16, 1983 the subject property was rezoned from a Single-Family 3 (SF-3) District to Single-Family 7 (SF-7) District. The property has remained zoned Single Family (SF-7) District since this date.

FIGURE 1: SEPTEMBER 28, 2012

PURPOSE

The applicant is requesting approval of a Certificate of Appropriateness (COA) for the purpose of demolishing five (5) structures and landscape features, constructing a new 1,500 SF guest quarters/detached garage, and expanding the driveway.

ADJACENT LAND USES AND ACCESS

The subject property is located at 401 S. Clark Street. The land uses adjacent to the subject property are as follows:

North: Directly north of the subject property are four (4) parcels of land (*i.e.* 301 and 307 S. Clark Street and 706 and 708 Hartman Street) developed with single-family homes that are zoned Single-Family 7 (SF-7) District. All of the properties are located within the Old Town Rockwall (OTR) Historic District, where 307 S. Clark Street is a *High*

Contributing Property, 301 S. Clark Street is a *Medium Contributing Property*, and 706 and 708 Hartman Street are *Non-Contributing Properties*. Beyond this is Hartman Street, which is identified as a R2U (*i.e. residential, two [2] lane, undivided roadway*) on the Master Thoroughfare Plan contained in the OURHometown Vision 2040 Comprehensive Plan. Beyond this are nine (9) parcels of lands of which three (3) parcels are vacant and six (6) are developed with single-family homes.

South: Directly south of the subject property is the boundary for the Old Town Rockwall (OTR) Historic District, followed by seven (7) parcels of land of which two (2) are vacant and five (5) are developed with single-family homes. All of these properties are zoned Single-Family 7 (SF-7) District. Beyond this are several parcels of land developed with single-family homes all zoned Two-Family (2F) District.

East: Directly east of the subject property is a vacant 3.983-acre tract of land zoned Single-Family 7 (SF-7) District. Beyond this are four (4) parcels of land (*i.e. 402, 404, 406, & 408 Renfro Street*) developed with single-family homes and zoned Single-Family 7 (SF-7) District. Beyond this is Renfro Street, which is identified as a *Minor Collector* on the City's Master Thoroughfare Plan contained in the OURHometown Vision 2040 Comprehensive Plan. Beyond this is the Park Place West Phase 2 Subdivision, which consists of 95 lots and is zoned Planned Development District 59 (PD-59) for Single-Family 7 (SF-7) District land uses.

West: Directly west of the subject property is the boundary for the Old Town Rockwall (OTR) Historic District. Beyond this is S. Clark Street, which is identified as a *Minor Collector* on the City's Master Thoroughfare Plan contained in the OURHometown Vision 2040 Comprehensive Plan. Beyond this are five (5) parcels of land of which four (4) are developed with single-family homes (*i.e. 402 S. Clark Street and 502, 504, & 506 Munson Street*) and one (1) is vacant (*i.e. 508 Munson Street*). All of the properties are zoned Single-Family 7 (SF-7) District. Beyond this is Tyler Street, which is identified as a R2U (*i.e. residential, two [2] lane, undivided roadway*) on the Master Thoroughfare Plan contained in the OURHometown Vision 2040 Comprehensive Plan.

CHARACTERISTICS OF THE PROJECT

The applicant is proposing to demolish five (5) structures and landscape features, construct a guest quarters/detached garage, and pave a larger driveway. The applicant has indicated that the roof area being demolished is approximately 1,521.50 SF and the total demolition area is approximately 4,637.70 SF. To replace the demolished structures the applicant is also requesting to construct a 30-foot by 50-foot or 1,500 SF guest quarters/detached. The guest quarters/detached garage will have 1,140 SF enclosed and 360 SF open porch facing the existing pool at the rear of the property. The guest quarters/detached garage will have 12-foot walls, with a 4/12 roof pitch, giving the structure a maximum height of 17-feet; however, at the roof midpoint the structure will be 14.50-feet tall. The applicant has indicated on their residential plot plan, in green, that they want to expand the driveway width just in front of the proposed guest quarters/detached garage. The applicant's letter indicates that the remaining area that is demolished will be returned to greenspace. The applicant has also indicated that despite requesting a guest quarters/detached garage that exceeds the maximum permissible size, their intent is to replace the incoherent and impractical accessory structures with one (1) new guest quarters/detached garage that is more consistent with the historic district and the existing home.

CONFORMANCE TO THE HISTORIC DISTRICT GUIDELINES & CITY'S CODES

According to Subsection 06.03(F), *Certificate of Appropriateness (COA) for Alteration or New Construction*, of Article 05, *District Development Standards*, of the Unified Development Code (UDC), "(t)he provisions of this ordinance [*Historic Overlay (HOV) District*] shall apply only to those properties ... which meet the following criteria: [1] either be a designed historical landmark or be wholly or partially located within a designated historic district, and [2] either be a contributing property as defined by *Subsection B* or be located within 200-feet of a contributing property." In this case, the subject property meets all of the criteria for a property that would require a Certificate of Appropriateness (COA). Specifically, it is situated wholly within the Old Town Rockwall (OTR) Historic District, and is designated as a *Low Contributing Property*.

According to Section 10, *Demolition Criteria*, of Appendix D, *Historic Preservation Guidelines*, of the Unified Development Code (UDC), a structure may be demolished if the "structure does not contribute to the historical or architectural character and importance of the Historic District (*e.g. a Non-Contributing Structure*), and its removal will result in a positive, appropriate visual

effect on the Historic District.” In this case, the accessory structures are considered to be *Non-Contributing* according to the *2017 Historic Resource Survey* and are therefore eligible for demolition.

According to Section 07, *Building Standards*, of Appendix D, *Historic Preservation Guidelines*, of the Unified Development Code (UDC), “the scale, mass, volume, period and style” of new construction “shall be compatible with other historic buildings or structures in the Historic District.” In this case, the proposed guest quarters will be a white metal building, with black wood accents. The applicant has indicated in their letter that the front façade will incorporate the wood accents and features intended to complement the existing home. With this being said, the existing home is clad in vinyl siding, which has been painted white. Section 07 also states that driveways “should not exceed a width of ten feet.” In this case the proposed driveway exceeds ten (10) feet in width.

According to Subsection 06.03(G)(5), *Standards of Approval*, of Article 05, *District Development Standards*, of the Unified Development Code (UDC), “...the Historic Preservation Advisory Board (HPAB) must approve the application for a Certificate of Appropriateness (COA) if it determines that ... the application will not adversely affect the character of the site; and the proposed work is consistent with the regulations contained in this section and proposed preservation criteria ...” While the applicant’s proposed scope of work for the demolition is in conformance with the UDC guidelines, the proposed guest quarters and driveway do not appear to meet the historic preservation guidelines within the UDC. With this being said, the proposed project does not appear to impair the historical integrity of the subject property nor will it negatively impact any of the adjacent properties; however, approval of a Certificate of Appropriateness (COA) is a discretionary decision for the Historic Preservation Advisory Board (HPAB). Should the Historic Preservation Advisory Board approve the COA, a recommendation would be forwarded to the Planning and Zoning Commission for the approval of a Specific Use Permit (SUP) for a guest quarters that exceeds the maximum permissible size.

NOTIFICATIONS

On June 7, 2022, staff mailed 28 property owner notifications to property owners and occupants within 500-feet of the subject property. At the time this report was drafted, staff had not received any notices returned regarding the applicant’s request.

CONDITIONS OF APPROVAL

If the Historic Preservation Advisory Board (HPAB) chooses to approve the request for a Certificate of Occupancy (COA), staff would propose the following conditions of approval:

- (1) Any construction resulting from the approval of this request shall conform to the requirements set forth by the Unified Development Code (UDC), the International Building Code (IBC), the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PUBLIC NOTICE

CITY OF ROCKWALL
PLANNING AND ZONING DEPARTMENT
PHONE: (972) 771-7745
EMAIL: PLANNING@ROCKWALL.COM

Property Owner and/or Resident of the City of Rockwall:

You are hereby notified that the Historic Preservation Advisory Board will consider the following application:

Case No. H2022-012: COA for 401 S. Clark Street

Hold a public hearing to discuss and consider a request by Mark and Veronica Combs for the approval of a Certificate of Appropriateness (COA) for the demolition of existing accessory buildings and the construction of a new accessory building on a Low Contributing Property being a 0.7379-acre parcel of land identified as Block 105A-1, B. F. Boydston Addition, City of Rockwall, Rockwall County, Texas, zoned Single-Family 7 (SF-7) District, situated within the Old Town Rockwall (OTR) Historic District, addressed as 401 S. Clark Street, and take any action necessary.

For the purpose of considering the effects of such a request, the Historic Preservation Advisory Board (HPAB) will hold a public hearing on *Thursday, June 16, 2022 at 6:00 PM*. These hearings will be held in the City Council Chambers at City Hall, 385 S. Goliad Street.

As an interested property owner, you are invited to attend these meetings. If you prefer to express your thoughts in writing please return the form to:

Henry Lee
Rockwall Planning and Zoning Dept.
385 S. Goliad Street
Rockwall, TX 75087

You may also email your comments to the Planning Department at planning@rockwall.com. If you choose to email the Planning Department please include your name and address for identification purposes.

Your comments must be received by Thursday, June 16, 2022 at 4:00 PM to ensure they are included in the information provided to the Historic Preservation Advisory Board (HPAB).

Sincerely,

Ryan Miller, AICP
Director of Planning & Zoning

SUBJECT: CERTIFICATE OF APPROPRIATENESS

My wife Veronica and I recently purchased 401 S. Clark, a lovely farmhouse at the edge of the historical district which is currently classified as low contributing. The home's original sale occurred Sep 4, 1873 when Harriet Clark purchased it from the Boydston family. What a cool piece of history. Unfortunately, in the years between 1990 and 2009 several structures (5) and large landscape features were added that do not complement the property. In fact, they are largely incoherent and impractical; and distract from what could otherwise be a beautiful back yard. From our research it appears that many of these changes were made without Historic Preservation Board or City approval.

It is our hope that we can raise these structures and landscape additions, then construct one garage/shop that is coherent and complimentary to the property. In addition, much of the proposed demolition would be returned to green space (see attached documents). The proposed demolition area is 4,637.7 sqft; estimate taken from Rockwall Central Appraisal Districts ARC GIS CAD data (see attachment). The approximate "under roof" area of demolition is 1,521.5 sqft; leaving approximately 3,116 sqft returned to green space.

The proposed replacement structure would be a 1,500 sqft garage workshop (30x50 slab); 1140 sqft enclosed, and a 360 sqft under roof patio that would be facing the pool area. The building would be an engineered building constructed of metal with roof, walls, and doors that color match the homestead. Street facing veneer would include wood accents and features as to complement the original farm house. The drive behind the house would be extended to match the new structure. We will be applying for variances for both the proposed square footage, and metal building materials. We have noticed, that although not common, there are examples of larger barn-like or metal shop structures within the historical district.

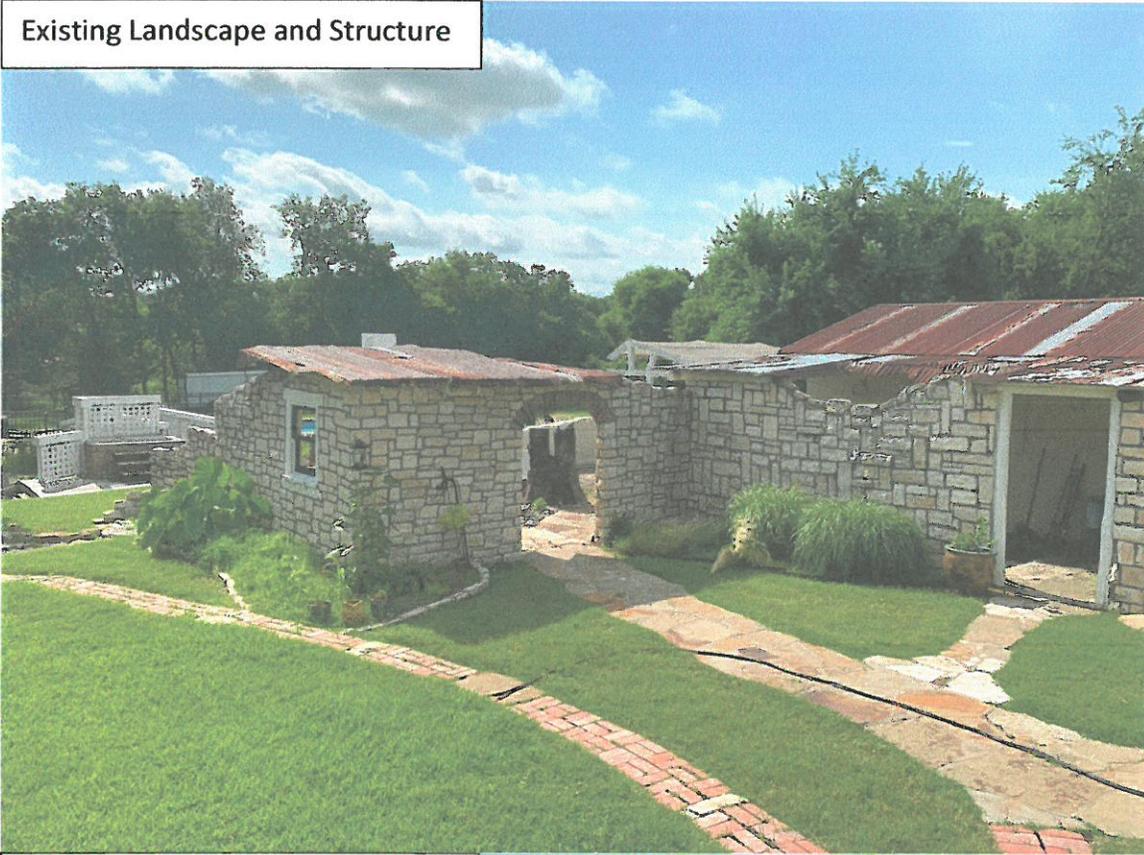

Veronica and I are invested in making this our last home purchase. It is our sincere desire to improve the property in a manner that will add value to the home and neighborhood.

Sincerely,

Mark H. Combs
