To the City of Richmond, P&Z, And all concerned,

I am writing this letter to apply for a permit to put a wrought iron fence for athletic purposes in front of my yard.

The materials will be weather proof wrought iron with a six ft step down approach to allow the gate to open properly at the opening sidewalk going up to the house. The fence will not impede the site distance or walkability of any pedestrians.

The purpose is merely for property improvement and aesthetics. This type of fence has been placed in several parts of the neighborhood and has added great aesthetic value and beautification to the neighborhood.

**Samples Lynden Park Estates Neighborhood**

There are several exceptions that have been made in the Lynden Park Estates Neighborhood to allow for an aesthetic wrought iron fence to be used to enclose the front part of the yard. These changes were made over several years and for several reasons: aesthetics, privacy, pet protection, and property containment.
